HAPPY RAMADAN BUNTING

1. Print pages 2-13 on HP Brochure Paper 180g (cardstock) if you have it. If not, normal paper will work! (Make sure to fit to page when printing.)

2. Cut out the paper shapes.

3. Use double sided tape or a gluestick and match the sides together. Make sure not to get tape or glue on the loop so that the ribbon can thread through.
