

**Materials:**

- Scissors
- String
- Glue
- Tape
- Thin cardboard (optional)

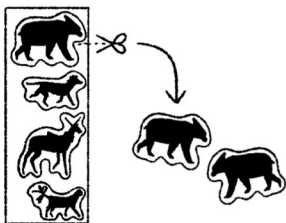

**Winter Animal Ornaments**

by junoregen

1. Fold each paper in the middle along the dotted line.

Optional step: First glue the paper onto thin cardboard to make the ornament more sturdy.

2. Cut out the ornaments by following the outline.

3. Place a piece of string inbetween 2 matching pieces and glue both sides together.
