

Winter Ski Scene

Concertina Card by LAURA K SAYERS

1. Print out pages 1 and 2 onto individual sheets of paper.
2. Cut out the scene with scissors or a scalpel and ruler.
3. Glue page 1's scene to the back of page 2's scene, so it's double sided.

4. Fold into three, and enjoy your snowy scene!
5. Write a message to someone on the hills and use it as a card, or use it as a festive decoration.
