

① Village hall car-park - Do ten star jumps on the spot!

② Crossing the road - Make sure an adult is with you when crossing the road.

③ Church car-park - Do 10 jumping jacks; first one to finish wins!

④ The footbridge - Stop and have a look into the river. You're stood on the longest single span aluminium footbridge in the UK! wow!

⑤ Geocaching - Have a look around in the trees for a geocache. It's a little, black, round tub. First person to find it wins!

⑥ Race around the meadow of Fiddleneck! Choose whichever route you want, there are so many! Have a look at where the river Wyre and the river Brock meet! Then walk back to the bridge...

⑦ Follow the road downwards. Always have a grown-up with you!

⑧ Cross the road with a grown up to get to the garage. Why not buy an ice-lolly? You deserve it! Then, cross the road again and head back to the village hall. ☺
