

DOTS AND BOXES

GRAB

Pencils

HOW TO PLAY

1. Player 1 draws a line between 2 adjacent dots (no diagonal lines).
2. Player 2 does the same with another coloured pen/pencil.
3. When the line completes the square, the player writes his initial (e.g. "J") in the square.
4. When all the lines are drawn, the player with the most squares wins.

NO. OF PLAYERS

2 or more

Tips:

Place this printout in a plastic folder and play this over and over again with dry erase markers.
