

EL día de los muertos

Lesson with interactive Paper doll activity

Hello, my name is Alex
and I live in Mexico.

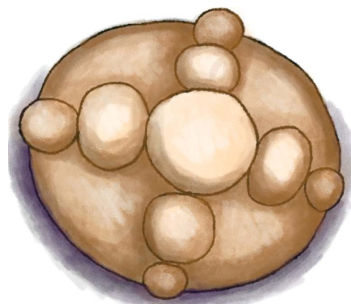

On the 2nd of November we have
a festival called:

It is a very fun festival
because we dress up.

We
eat
sugar
skulls

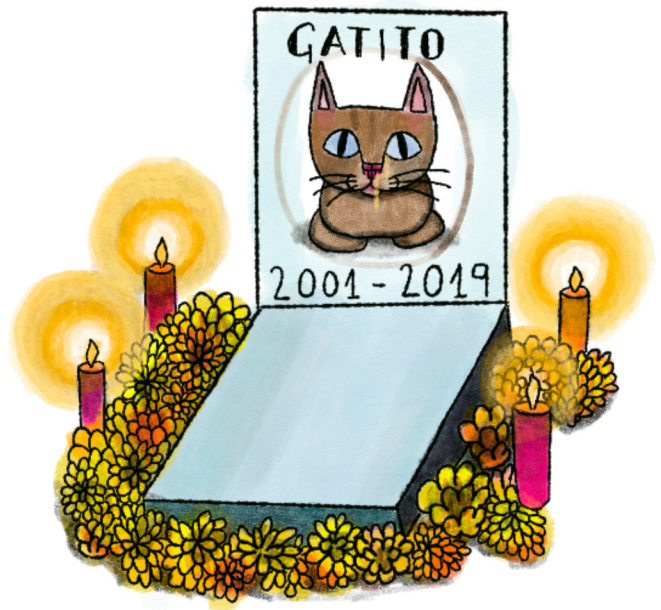

And a
special
bread.

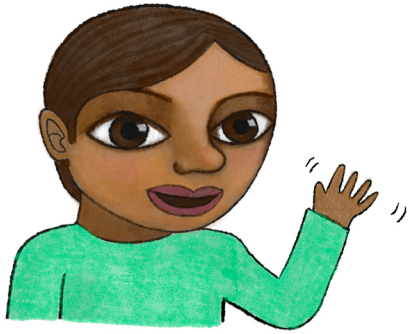

We paint our faces to look like skeletons.

We visit the graveyards at night.

We decorate the graves with flowers and candles.

We decorate our homes to remember our loved ones.

Can you help me to
get ready for the
party?

You will need:

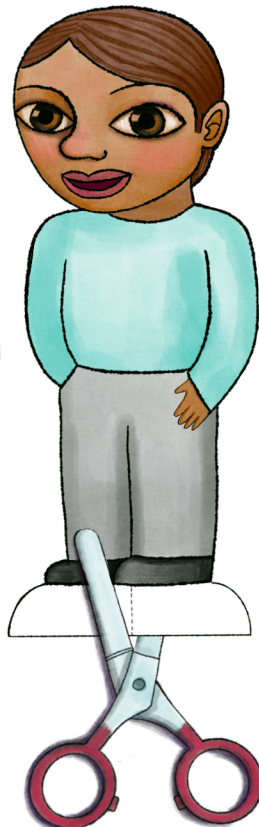

Scissors

Glue

Card

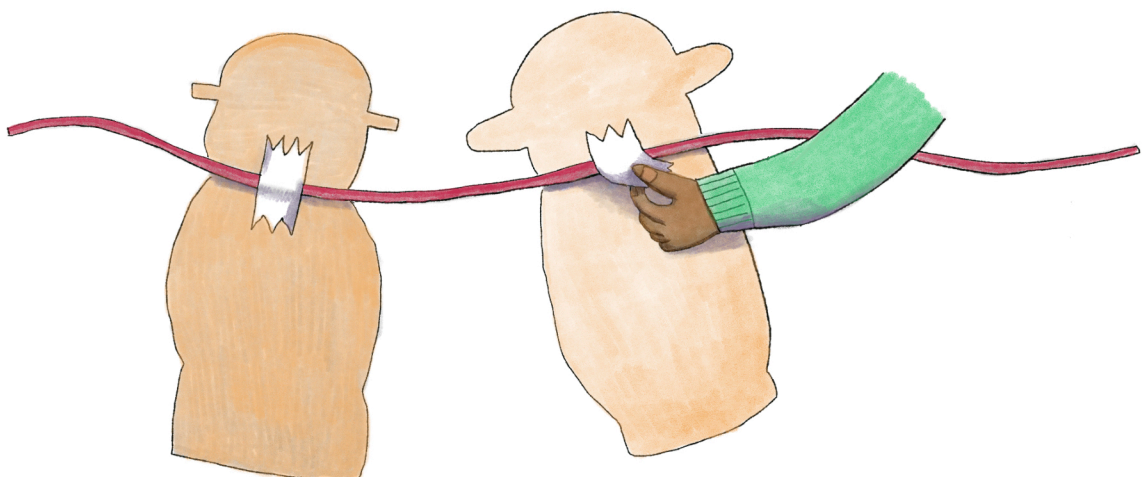

You can also make
'day of the dead cards
for your friends.

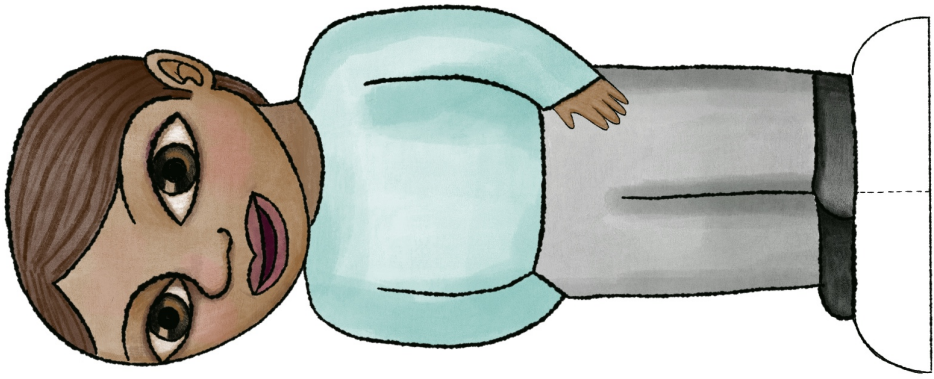

Or posters
to
decorate
your
home.

Print more than one worksheet and
make a garland. Use a piece of string
and sticky tape on the back of the
figures.

Alex
