

Workin' on Syllables

The Daily Alphabet

Workin' On Syllables

Workin' On Syllables is a beginning phonological awareness game that will allow beginning readers to identify how many syllables are in a word.

This activity can be used in a pocket chart center, and the headers are on the following page. The students will look at a picture, clap the syllables, and place the card under the correct heading. Recording sheets are also included, which will help students to become accustomed to writing their answers down.

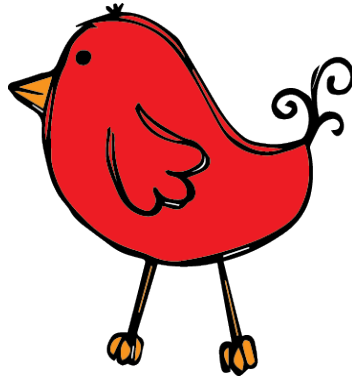

1 Syllable

2 Syllables

3 Syllables

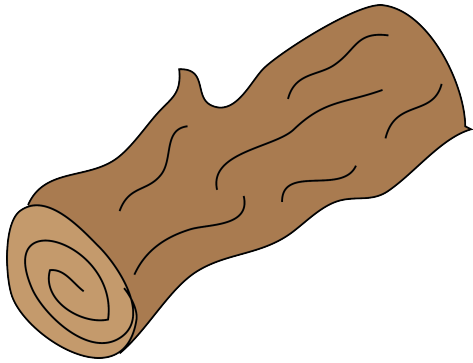

hand

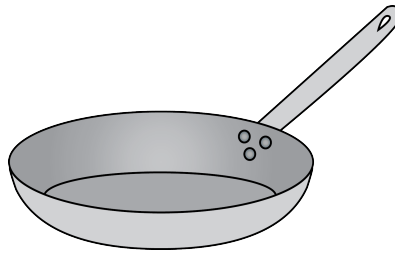

bird

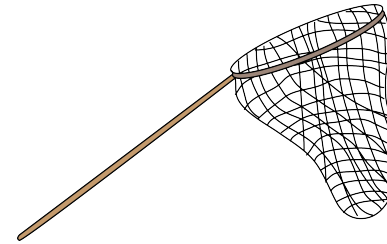

tub

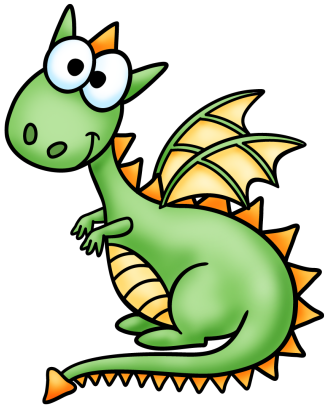

log

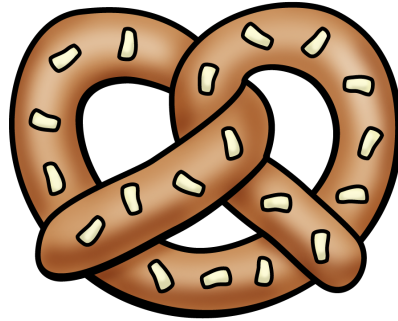

pan

net

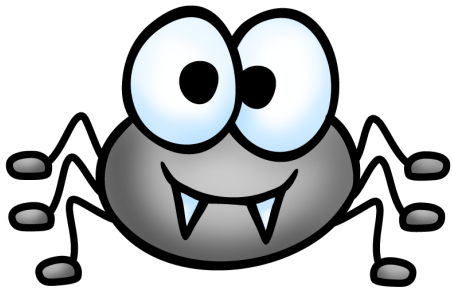

dragon

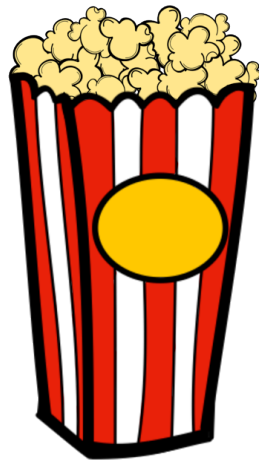

pretzel

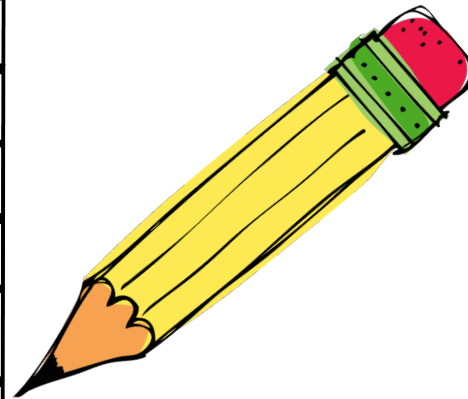

ribbon

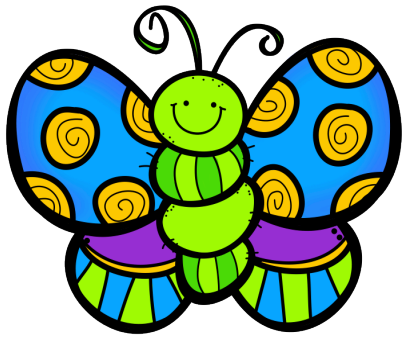

spider

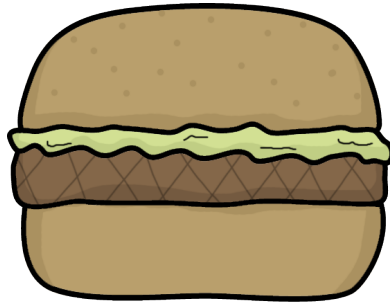

popcorn

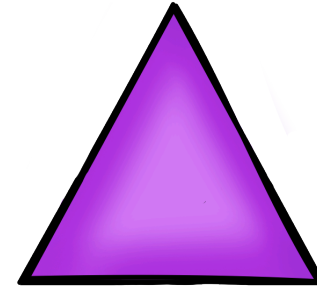

pencil

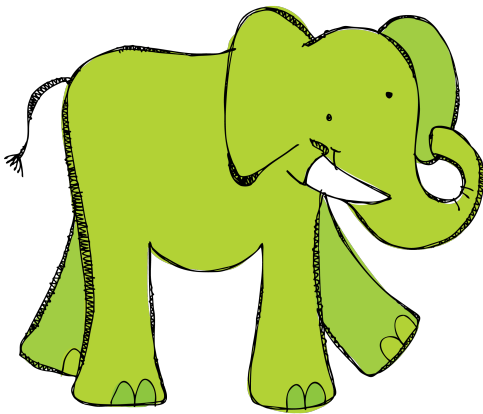

butterfly

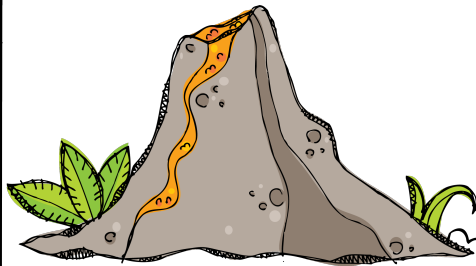

hamburger

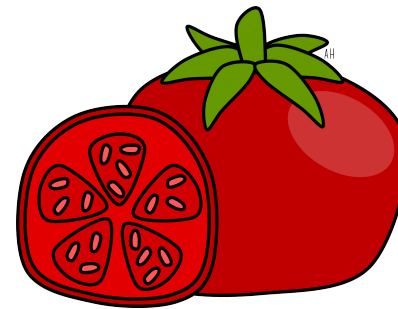

triangle

elephant

volcano

tomato
