

Create a gift that keeps on giving, if you have ever been in a position where your gift is money in a card. Now is the chance to make it even more special. With your note, follow the steps below and create your Origami T-Shirt and make the gift that bit more personal!

**Step 1:**

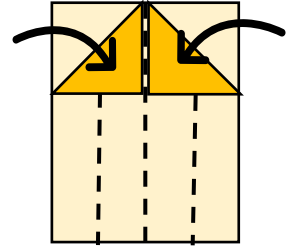

First fold lengthwise in half and crease.

**Step 2:**

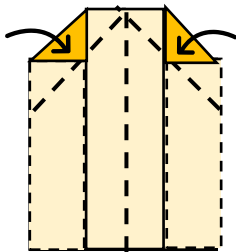

Unfold and then fold both sides in to meet the centre line.

**Step 3:**

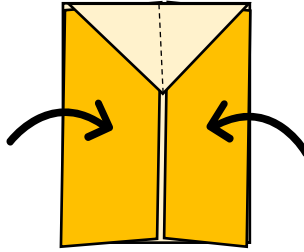

Unfold again and make another inward fold as above.

**Step 4:**

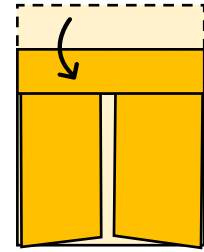

Unfold and this time fold the edges towards the crease line made by the step 3 fold.

**Step 5:**

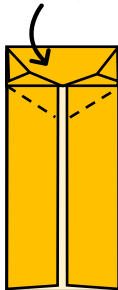

Next fold in both sides.

**Step 6:**

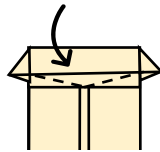

Fold down the top part to where the base of the triangle tip meet.

**Step 7:**

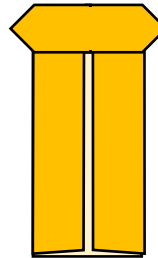

45°

press down

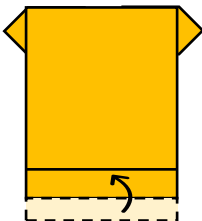

**Step 8:**

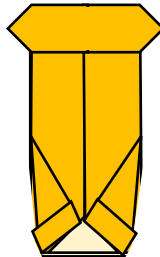

Now for the tricky part to make the sleeves. Using the folded top part, pinch the 45 degree triangle fold and pull along the crease created earlier as shown in the diagram, pressing down to create the shape of the sleeves.

**Step 9:**

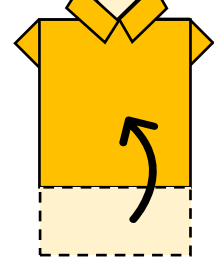

Flip it over and make a half inch straight horizontal fold.

**Step 10:**

Flip it over again and fold the sides as shown.

**Step 11:**

Finally, tuck the sleeves into the collar and flatten out your T-shirt.
