Get ready for the Heart Foundation's Active Australia Innovation Challenge!

(Body text)

Dear <add name>

Do you have an idea to get your local community physically active? You could win a grant up to the value of \$30,000 to help make it happen.

Most Australians don't get the exercise they need. Being physically active is one of the best ways to reduce your risk of preventable heart disease and some cancers.

That's why the Heart Foundation is offering Active Australia Innovation Challenge grants up to the value of \$30,000 for new, innovative projects that help get more people moving in schools, universities, or local communities.

Applications open on Monday 2nd February. For more information or to apply, visit the Active Australia Innovation Challenge website [here](#)

Share the challenge

Tell your family, friends and colleagues about the challenge. Encourage them to apply too!

If you have any questions please feel free to contact the Heart Foundation at
innovationchallenge@heartfoundation.org.au
