

A24. Supporters mapping

Module 7 - Project sustainability

Use this worksheet to map potential supporters and funders, clarify your messaging, and plan your next steps for building strong, strategic connections.

Need help?

- Think about local councils, health organisations, businesses, or grant providers
- What matters to them (health, inclusion, local impact, innovation)?
- What makes your project a good fit for their goals?

Supporter/Funder Name	What are their values?	How will you communicate your project's value?	First step to reach out	Who is responsible & by when?
