

Upgrades

Want to supercharge your property listing?

Upgrade your listing to drive greater interest from NZ's active property buyers and sellers.

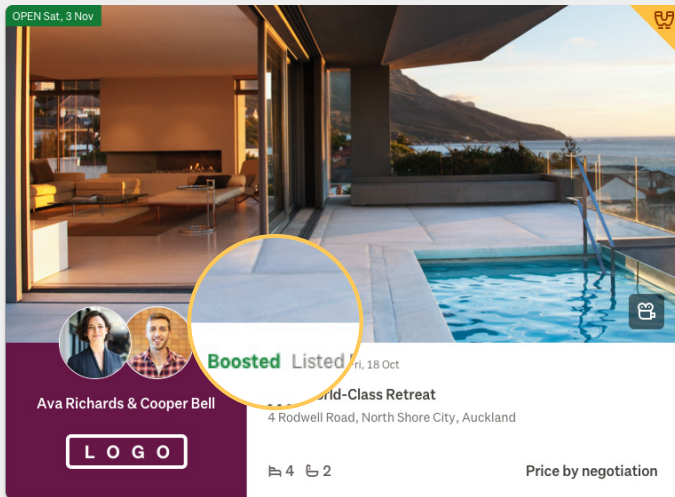

Super Feature

Appear at the top of relevant search results on desktop and mobile (excluding property app)

Showcase your listing's **best features** with three photos in the search results

Lasts seven days, and includes a Feature Listing during your marketing campaign

Boost

Elevate your Feature or Premium Listing higher in search results with a **Boost**

Be seen by new potential buyers entering the market during your campaign

Timing is everything - tactically boost your listing to drive more potential buyers to your open home, auction or deadline sale

Book today via your CRM provider, or contact propertyagents@trademe.co.nz
