Beneficiary Change Request

The new Owner also becomes the Beneficiary on Juvenile Life Insurance policies. For all other policies, a change of ownership does not affect or change the beneficiary designation on file. Proceeds payable at death will be paid in accordance with such designation. If you wish to change the current beneficiary designation, complete the Primary and Contingent Beneficiary sections.

By completing these sections, all prior Beneficiary designations are hereby revoked and the following are designated as Beneficiaries under this policy. It is recommended you do not name a funeral home as Primary Beneficiary. However, in the event a funeral home is designated, Company policy requires a Contingent Beneficiary be named. Funeral homes are not allowed to be named as Beneficiary in the following states: MD, MI, MT, NJ, OK, PA, SD, TX and WV. If a funeral home is a named Beneficiary, benefits will be paid to the extent of its interest. The Contingent Beneficiary will be paid any remaining amounts.

Guidelines to Ownership Changes

The following guidelines apply to all ownership changes:

- Any change of Owner to a funeral home may be subject to state limitations. Please consider naming a family member as Owner or assigning benefits through a revocable assignment.
- Our company does not allow ownership changes involving entities such as Corporations, LLPs or Investors.
- The new Owner is responsible for the premium due.
- A change of ownership does not affect or change the current beneficiary designation. However, on juvenile life policies, the new Owner becomes the beneficiary unless they name someone else.
- A change of ownership revokes existing automatic payments. An authorization from the new Owner is required to begin automatic payments.

To change the ownership, complete the enclosed Ownership Change Request for Life Policies form and return it to us in the envelope provided. If you wish to change the current beneficiary designation, you must complete the Beneficiary Change Request section.
