

SOUTHERN CONFERENCE COMMISSIONER'S CUP

The Southern Conference annually awards the Commissioner's Cup to the top men's program in the league. Using a system modeled after the one used in determining the Learfield Sports Directors' Cup, scoring is done on a percentage basis, with only the top seven sports for each school counting toward its season total. The scoring format has been in place since the 2014-15 academic year. Prior to that, scoring was done on an aggregate basis. Under the current format, each sport is worth 10 points, with each spot in the standings given equal measure relative to how many schools sponsor that particular sport. For sports that determine a regular-season champion, there is a two-point bonus for winning the league tournament. In sports where there is not a regular-season champion (golf, track & field, cross country), the final results at the championship determine the points for those schools. Each school's total for the year will be divided by 70, the maximum number of points possible when counting seven sports, to find its percentage.
