In the latest data released by the NCAA in May, Southern Conference men's basketball teams posted an Academic Progress Rate (APR) of 959, seven points higher than the national average of 952 for Division I football programs. It was the third consecutive season that the SoCon average was higher than the national rate for Division I.

- The Southern Conference's overall APR score of 978 was the ninth-highest among 31 Division L conferences.
- The NCAA released its Graduation Success Rate scores October 25. Nine of the twelve SoCon teams met or exceeded the national average for Division I men's basketball programs.
