MAKING THE GRADE

In addition to achieving success on the court, SoCon teams boast impressive academic credentials. In the latest data released by the NCAA in June 2010, Southern Conference men's basketball teams posted an Academic Progress Rate (APR) of 950, ten points higher than the national average of 940 for Division I men's basketball programs. It was the third consecutive season that the SoCon average was higher than the national rate for Division I.

- The NCAA released its Graduation Success Rate scores on October 27, 2010. Nine of the 12 SoCon teams met or exceeded the national average (65 percent) for men's basketball Division I programs. The teams scores included four-class averages taken from the 2000-2003 cohorts.
