

RECALL NOTICE

Thermos L.L.C. Announces Recall of Stainless King Food Jars and Bottles
SK3000, SK3010, SK3020

Recalled Thermos 16-oz Stainless King Food Jar (SK3000), 40-oz Sportsman Food & Beverage Bottle (SK3010), and 24-oz Stainless King Food Jar (SK3020)

RECALLED

NOT RECALLED

The stopper of the recalled Food Jars and Bottles has
no pressure relief in the center.

Hazard: If perishable food or beverages are stored in the container for an extended period of time, the stopper can forcefully eject when opened, which can result in serious impact injury and laceration hazards to the consumer.

Remedy: Replace

Consumers should immediately stop using the recalled Food Jars and Bottles and contact Thermos to receive a free replacement pressure relief stopper or replacement Bottle, depending on model. For recalled 3000 and 3020 Food Jars, consumers will be asked to throw away the stopper and send a photo of the disposed stopper to Thermos. For recalled 3010 Bottles, consumers will be asked to return their recalled Bottle to Thermos using a prepaid shipping label.

Consumer Contact: Thermos online at <https://support.thermos.com>, or go to <https://www.thermos.com>, and click "Contact Us" or "Recall Info," or call 662-563-6822 from 7 a.m. to 3:30 p.m. Central Monday through Friday.

"This recall is being conducted in cooperation with the U.S. Consumer Product Safety Commission,"
