

RECALL NOTICE

HydroJug Recalls 14-Ounce Children's Sport Tumblers Due to Choking Hazard

HydroJug is recalling 14-ounce sport tumblers in the five patterns pictured above sold from May 2025 to June 2025 with serial number 235010 or no serial number on the bottom of the tumbler under the rubber boot. The rivets on the handle can come loose, causing the handle to detach, posing a choking hazard for children.

Consumers should immediately stop using the recalled 14-ounce sport tumbler and contact HydroJug for a free replacement lid. Consumers should email HydroJug at service@thehydrojug.com and provide order details (if available), shipping address and photos of the bottom of the tumbler showing the serial number or that there is no serial number. Consumers will be asked to include photos of the recalled tumbler lid permanently marked with the word "Recalled" and to dispose of the recalled tumbler lid. HydroJug will confirm eligibility and send a replacement lid.

Thank you for your cooperation.
