Welcome to our New Kentucky Home.

It is an honor to once again host the prestigious Breeders' Cup, with the 2026 event returning to Lexington's historic Keeneland racetrack. Together, these dedicated teams are set to deliver another memorable experience for guests from across the globe.

As proud Kentuckians, we look forward to opportunities where our commonwealth is on the world stage. From our Thoroughbred industry to record-breaking tourism, world-renowned bourbon, historic economic success and unparalleled hospitality, the Bluegrass State has transformed into a one-of-a-kind destination that leaves people wanting more.

The equine industry has long been a part of Kentucky's legacy, and it remains a driving force behind our overall success. Providing $6.5 billion in annual economic impact and employing more than 60,000 people, this signature industry is helping fuel the best 5-year period for economic development and job creation that our state has ever seen. From $54 billion in new investment, 71,000 new jobs and the best four years for tourism, Kentucky is on a win streak. And with events like these, the odds are in our favor for ongoing success.

I would like to personally thank Breeders' Cup President and CEO Drew Fleming and his entire team for entrusting our commonwealth once again to deliver a showcase event for the Thoroughbred racing industry. Also, a big thank you to fellow Kentuckian Shannon Arvin, President and CEO of Keeneland, for always showing the best of our state through major events. I also want to give a shout out to the entire Lexington community for welcoming nearly 90,000 guests over these two days with open arms.

May the sun shine bright on the 2026 Breeders' Cup. Y'all have a great time, and thank you for traveling to our New Kentucky Home.

The best of luck to all the jockeys, trainers, owners, breeders and horses for a safe and successful championship.

Sincerely,

Andy Beshear
Governor

KEENELAND

Welcome to the Breeders' Cup at Keeneland.

Keeneland is honored to welcome the Breeders' Cup World Championships back to the Bluegrass for the fourth time, following a memorable debut in 2015, a unique renewal in 2020 and a successful return in 2022.

Hosting the 43rd Breeders' Cup is a special way to cap a milestone year at Keeneland, which celebrated its 90th birthday earlier this month. Developed on property purchased from John Oliver "Jack" Keene, Keeneland opened Oct. 15, 1936, for nine days of racing that drew tremendous attention from Lexington and beyond. Ninety years later, the vision of Keeneland's founders continues to guide us: to be a model racetrack and sales company, invest in the future of the sport, enrich our Central Kentucky community and always do what is best for the horse.

The Breeders' Cup also brings together so much of what makes this region special. Many horses competing this weekend were foaled in Central Kentucky, the heart of the Thoroughbred breeding industry, and raised on farms within 50 miles of Keeneland. Many also have a connection to our sales or our racetrack. Keeneland sales graduates have won 145 Breeders' Cup races, with 134 horses representing our auctions. And several additional Breeders' Cup winners have been sold at Keeneland after earning their victories on the world stage.

People come to Keeneland for many reasons, but we know the experience is what keeps them coming back. Our team takes great pride in the details, from the beauty of the grounds to the way we welcome our guests, and we're excited to share that experience with the Breeders' Cup community. Bringing that together with the world's best horses, jockeys, trainers and owners makes this a special weekend for Keeneland and for Central Kentucky.

We're so glad to have you here for the Breeders' Cup. Enjoy your time at Keeneland, and best of luck at the races!

Keeneland

Welcome to the 2026 Breeders' Cup World Championships.

There are few settings more fitting to host the best Thoroughbreds from around the globe than historic Keeneland Race Course, surrounded by the rolling hills and storied farms of the Bluegrass. Over two extraordinary days of racing, those elite contenders and their connections will come here to the heart of horse country to compete for their chance to make history.

Each year, the World Championships showcase the remarkable depth and global reach of Thoroughbred racing. Last year we continued that tradition, generating record global wagering of $210 million, creating a record economic impact of $125 million, welcoming international starters from five continents, and reaching more than 7 million fans across television and digital platforms. Those achievements demonstrate the continued strength of the Breeders' Cup and the passion for our sport shared by fans around the world.

For more than four decades, the Breeders' Cup has brought together the best in international racing, crowning more than 400 champions and allocating more than $1 billion in purses and awards to the Thoroughbred industry. That commitment extends beyond the racetrack through Breeders' Cup Charities. With 100% of royalties from Breeders' Cup merchandise supporting charitable initiatives, our "Champions Give Back" campaign provides additional opportunities throughout the World Championships to support organizations making a meaningful difference across our racing community.

This year, more than $34 million in purses and awards are on the line in our 14 Championship races, highlighted by the $7 million Longines Breeders' Cup Classic (G1). Beyond the competition, we hope you take the opportunity to experience everything that makes Lexington so special, from outstanding racing and hospitality to the traditions and heritage that make the Bluegrass such an important part of our sport.

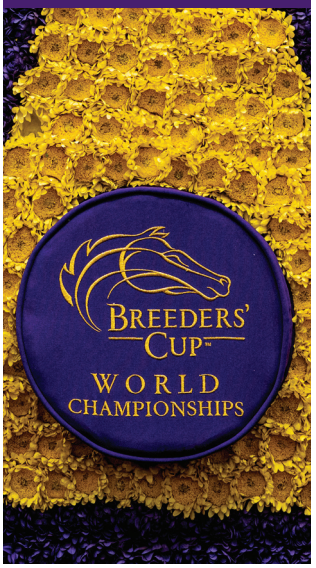

On behalf of the Breeders' Cup Board of Directors, Members, Nominators, and our entire team, thank you for joining us. We are grateful to have you as part of the 2026 World Championships and hope your time at Keeneland is filled with memorable racing, meaningful connections, and moments you will remember long after the final race is run.

Best regards,

Drew Fleming

2027 STALLION NOMINATIONS DEADLINE: DECEMBER 15, 2026

NEWLY RETIRED STALLIONS HAVE 90 DAYS AFTER THEIR FIRST COVER.

When you nominate a stallion to the Breeders' Cup, you are creating a legacy of success by increasing the value of your stallion's progeny for years to come. Nominated foals benefit from the Breeders' Cup Purse and Awards program, now totaling more than $34 million annually.

All 2028 foals sired by Nominated Stallions may join the program.

Where Strategy Meets Momentum

At the highest levels of competition, success is never accidental. It is built on experience, precision, and the ability to see what others miss.

With 800 lawyers across 26 offices — including a presence in Lexington for more than 40 years — we bring that same discipline to the clients we serve. We don't simply respond to legal needs; we anticipate them.

Because in business, as in sport, advantage is everything.

Home of Champions

Ashford Stud, in the heart of Kentucky's famous Bluegrass, is home to Coolmore America.

When Ashford opened its doors for the 1982 breeding season, the stallion roster was headlined by Storm Bird, Europe's highest-rated two-year-old of 1980. Among the mares visiting him that first season was Terlingua - a mating that would impact thoroughbred breeding worldwide through the exploits of their prolific son, Storm Cat.

Another milestone chapter began in 1996 with the retirement of Kentucky Derby winner Thunder Gulch, himself a son of Storm Bird. Five years later, Thunder Gulch became the first Champion Sire to stand at Ashford when he topped the general sires list in 2001.

Further distinction followed with the dominance of Giant's Causeway, who claimed three Champion Sire titles, becoming only the fifth stallion since 1941 to achieve that feat, following luminaries Bull Lea, Nasrullah, Bold Ruler, and Danzig. Ashford has also enjoyed remarkable success with its sires of juveniles, with sires Woodman (twice), Hennessy, Tale Of The Cat, Giant's Causeway (twice), Uncle Mo, Scat Daddy, and his Triple Crown-winning son Justify all topping the 2YO sires table. The latter continues to excel in his stud career alongside the only other living Triple Crown winner, American Pharoah.

Our commitment to standing the best stallion prospects remains stronger than ever. Corniche, Epicenter, Golden Pal, and Jack Christopher have all made sensational starts as first-crop sires this year. Ace sprinter Gunite saw his first yearlings command outstanding demand at the sales, while Domestic Product - who mirrored his sire Practical Joke by capturing both the H. Allen Jerkens and Dwyer Stakes - looks ahead to his first crop of foals hitting the market.

It is a remarkably exciting time at Ashford. The roster was bolstered by the 2026 arrival of Eclipse Award champions Citizen Bull, Fierceness, and Sierra Leone, all of whom proved exceptionally popular with breeders in their debut season. And looking ahead to 2027, we are thrilled to welcome another elite trio in Nysos, Journalism, and Magnitude, bringing the next generation of top-class talent to Kentucky.

Heritage is important, but our history continues to be written, and we are confident that Ashford will continue to stand horses that shape the breed for generations to come. None of this, however, would be possible without the support of our breeders. Their trust has been central to our success from the very beginning, and for that we remain immensely grateful.

THANK YOU!

BUILDING ON EXCELLENCE

WinStar Farm's new dawn sees Preston Troutt and Gerry Duffy in leadership roles

– by Alicia Hughes

Excerpt from BloodHorse, September 2026
Reprinted by permission

There exists now an entire generation of Thoroughbred racing participants who have never known the sport to endure without WinStar Farm occupying space in the highest echelons.

Over the last quarter century, the former Prestonwood Farm has been reshaped and refined into an industry standard-bearer for commercial and on-track achievements, a magnum opus brought on by the vision of co-founder and owner Kenny Troutt and longtime farm president and CEO Elliott Walden. The full list of its milestones requires several deep breaths to recite, from American Classic winners, to breed-shaping stallions, to the pinnacle of campaigning a Triple Crown winner.

If it takes coordinated skill and diligence to summit a mountain, being able to live in rarified air requires the ability to make the adjustments that allow one to thrive in the face of ever-changing conditions. With one era of excellence complete, WinStar is positioning itself for another sustained residency at the top by calling upon the generation that witnessed its ascent to take its baseline to another level.

Shortly after the New Year, the WinStar team unveiled its own plans to ring in a fresh round of aspirations when it announced in early January that Gerry Duffy, who formerly served as WinStar's stallion seasons director early in his career, would take the reins from Walden in the position of CEO and president effective October 1. The decision to have Duffy pick up that torch came in lockstep with Preston Troutt taking on a larger role at the farm alongside his father, Kenny, officially ushering in a new age for the operation that marked its 25th anniversary season in 2025.

The plan to bring WinStar into its next chapter was something plotted out for over a year with Walden taking the initiative to identify his ideal choice for a successor. Such a timeline allows for a transition where the foundational philosophies are maintained while being reinforced with fresh outlooks.

Preston Troutt

"I think what the entire WinStar team has been very cognizant of is not only how do you have success in its current form, but how do you set up WinStar for the next 40-50 years," Preston Troutt said. "Elliott came to us a year and a half ago and was like this is my timeline for things and I think I've got someone who is perfect for the job–and that was Gerry. He came to us with that and I think that shows his love for not only our family but for WinStar as a whole."

Though their journeys into the sport were distinct from one another-Preston growing up within his family's operation and Duffy going from painting fences at Lyons Demesne in his native Ireland to spending a decade with Godolphin–the new guiding forces for WinStar's future have arrived in their current roles with a symmetry of thought. There are no wheels to be reinvented, no overhauls needed to fix broken parts.

Instead, the challenge is in taking established pathways to success and repaving them to allow for greater acceleration in the drive toward excellence.

Gerry Duffy

"It's difficult to get to the top and it's even harder to stay at the top," Duffy said. "You've got to keep challenging the status quo. We've got to keep reinventing ourselves. Every day I've got to encourage the team to come out and try and do a little bit better than we did the day before."

Incremental progress is something Duffy could give a TED talk on. From his childhood days riding show jumpers to his life-changing turn in the Godolphin Flying Start program, his rise through the ranks of the Thoroughbred industry has been propelled by an inquisitive mind that took his lifelong longtime love of horses and turned it into a professional lifeblood.

An analytical thinker himself, Troutt has been an ideal complement as both he and Duffy are studying the formulas that have led to WinStar's success while being open to modern avenues. Getting new fans and a fresh pipeline of owners involved in the sport is one of Troutt's main objectives. Hence, WinStar's involvement in the new team-based Thoroughbred racing venture–the aptly named Horse Racing League-announced in July.

"I think ultimately the goal is to take a data driven approach to looking at every vertical of WinStar and then allow the team to go find the best horses within that approach," Troutt said. "The aim is to carry on exactly what they've done."

What both Duffy and Troutt hope to instill going forward is a new blueprint for the next generation looking for a model of enduring excellence.

"The vision of success comes from the Troutt family," Duffy said. "Continuing to put top level stallions in the stallion barn, winning graded stakes races and Grade 1s on the big days are absolutely part of our mission."

THERE IS NO BREEDERS' CUP WITHOUT THE BREEDERS

Spendthrift Farm founder B. Wayne Hughes often said,
"Breeders are the backbone of our industry."

Congratulations to every breeder whose expertise, decisions and dedication led to the exceptional horses competing at the 2026 World Championships.

It's our honor to serve so many of the breeders who make this event, and this sport, possible. Your success is our goal, our mission, and our responsibility.

The Tradition Continues...

The key to success is starting with fertile ground, and there is perhaps no ground more fertile in the Thoroughbred industry than Claiborne Farm.

Since the foal crop of 2000, Claiborne Farm has raised 153 graded stakes winners, including 2026 Kentucky Derby (G1) and Belmont Stakes (G1) victor, Golden Tempo, who was born and raised at the Paris, Kentucky farm for co-owners/breeders Phipps Stable and St. Elias Stables.

As such, Claiborne Farm has been a prolific source of Breeders' Cup success over the past quarter-century, raising five winners of six races at the marquee event over that span of time.

Roy H, bred by Ramona Bass, was one of the most prominent runners around one turn of the late 2010s, claiming the Breeders' Cup Sprint (G1) in 2017 and 2018 en route to Eclipse Award honors as champion male sprinter both seasons.

Storm Flag Flying earned the champion 2-year-old female Eclipse in 2002 after winning that year's Breeders' Cup Juvenile Fillies (G1) as a homebred for Phipps Stable. The Phipps operation also campaigned 2005 Breeders' Cup Distaff (G1) winner Pleasant Home as a homebred.

Also securing an Eclipse Award after Breeders' Cup success was War Pass, bred by Cherry Valley Farm, who was named champion 2-year-old male after taking the Juvenile (G1) in 2007.

The greatest Breeders' Cup prize was claimed by Blame, a homebred for Claiborne Farm and Adele Dilschneider, who outdueled the mighty Zenyatta in the 2010 Classic (G1), widely considered to be one of the most exciting races of the decade. The victory clinched champion older male honors at that season's Eclipse Awards.

In addition to earning the biggest Breeders' Cup victory among the horses raised at Claiborne Farm since 2000, Blame is one of three horses (others being Annapolis and War Front) raised at the farm since the 2000 crop that resided on Claiborne's stallion roster this past breeding season.

Blame, a son of Arch, is the sire of eight Grade 1 winners, including 2026 Test Stakes (G1) winner, Explora. Blame is also responsible for eight Grade 1 winners as a broodmare sire, including 2022 champion 2-year-old male, Forte, and 2026 Grade 1 winners Reef Runner, So Happy, and Simply in Front.

Although 2026 was the final breeding season for longtime Claiborne stalwart, War Front, the farm welcomed newcomers Johannes (by Nyquist) and Mindframe (by Constitution) to the roster. Johannes, runner-up in the 2024 Breeders' Cup Mile (G1), finished his Grade 1-winning career with 9 wins (6 graded) from 16 starts and earnings of nearly $1.3 million for owners Joe and Debby McCloskey and trainer Tim Yakteen. He bred 123 mares at an introductory fee of $10,000 LFSN.

Mindframe, campaigned by Repole Stable and St. Elias Stables, proved his versatility with wins in the Churchill Downs Stakes (G1) going 7 furlongs followed by an authoritative victory in the 9-furlong Stephen Foster Stakes (G1). In those races, the Todd Pletcher trainee defeated a host of Grade 1 winners and champions, including Nysos, Sierra Leone, Book'em Danno, Hit Show, Mystik Dan, and Mullikin. He bred 187 mares at a fee of $50,000 LFSN during his first season.

First-crop weanlings and first in-foal mares from four accomplished Grade 1 winners

Some of the freshest faces on the Lane's End stallion roster will be bringing an international resume of accomplishments and breeding at the upcoming November Sales.

More Than Looks, by global super sire More Than Ready, capped his career with a thrilling victory in the **Grade 1 Breeders' Cup Mile** where he defeated a competitive international field consisting of 8 Grade 1 winners. From the family of Grade 1 winner Critical Eye and multiple graded stakes winner Takeover Target, More Than Looks' first-crop weanlings offer a world of possibilities to buyers.

Another with first-crop weanlings on offer is **Senor Buscador**, who was undefeated and a stakes winner at 2 and went on to become a multiple graded stakes winner including a victory in the $20 million **Grade 1 Saudi Cup** as the pinnacle of his success. The son of Rose's Desert, producer of five Black Type winners and two stakes placed horses from eight horses of racing age, gives buyers a chance to get into an active and productive family.

Multiple Grade 1 winner **Raging Torrent**'s trip abroad resulted in a victory in the Grade 2 Godolphin Mile at Meydan Racecourse. As a winner of the sire-making **Grade 1 Malibu S.** and the **Grade 1 Metropolitan H.**, he possesses the type of speed and class that will be attractive to buyers with his first in-foal mares.

Lope de Vega has established himself as one of the world's leading sires with 25 Group or Grade 1 winners to date, including his multiple Grade 1 winning son **Carl Spackler**, whose dominate victories in both the **Grade 1 Turf Mile S.** and **Grade 1 Maker's Mark Mile S.** at Keeneland, as well as the **Grade 1 Fourstardave H.** at Saratoga, established him as one of the top turf milers in the U.S. He looks to expand his sire's legacy in North America with his first in-foal mares.

RIDER SAFETY AT THE BREEDERS' CUP WORLD CHAMPIONSHIPS

SAFETY COORDINATION AND EMERGENCY PREPAREDNESS

Horseracing Integrity & Safety Authority (HISA), the Jockeys' Guild, Breeders' Cup, and Keeneland have been taking steps to mitigate risk to riders and prepare for any potential on-track incidents for months:

- All relevant entities held safety meetings to coordinate policies and protocols.
- Full emergency action drills have been conducted prior to World Championships
- The HISA medical team will meet directly with local hospitals to coordinate potential care for riders if needed
- ALS ambulances will be on-track

HORSERACING INTEGRITY & SAFETY AUTHORITY (HISA) PROTOCOLS

Under HISA's rules, jockeys are always required to have:

- An up-to-date baseline concussion test on file
- An up-to-date Fit-to-Ride Screening on file

Tracks under HISA's jurisdiction are always required to have:

- A concussion protocol in place
- Regular training drills for emergency responders (e.g., starting gate malfunction, paddock emergencies, equine and human injuries)

MEDICAL PERSONNEL

The team of medical professionals on site for the Breeders' Cup World Championships will include:

- HISA National Medical Director and orthopedic surgeon Dr. Peter Hester
- Attending physician, ALS personnel, and other medical staff coordinated by Keeneland
- A first aid office, available to all participants and attendees

RIDER EQUIPMENT

HISA's rules require that:

- Jockeys wear a safety vest and safety helmet
- Equipment, including riding crops, meet specific safety standards
- Equipment is subject to inspection prior to post time

PROBABLE FAVORITES 2-4-8-5

Hill 'n' Dale at Xalapa has enjoyed a storied past with the Breeders' Cup.

Two-time Horse of the Year Curlin won the 2007 Breeders' Cup Classic (G1) before embarking on a remarkable stud career. Counted among his Breeders' Cup Champions are Eclipse Champion Good Magic (2017 Juvenile), Eclipse Champion Vino Rosso (2019 Classic), two-time Champion Malathaat (2022 Distaff), two-time Champion Idiomatic (2023 Distaff), and two-time Champions and back-to-back winners Elite Power (2022 Sprint & 2023 Sprint) and Cody's Wish (2022 Dirt Mile & 2023 Dirt Mile), the latter having earned Horse of the Year honors.

Good Magic, Curlin's first Breeders' Cup Champion, has built an impressive legacy of his own, becoming one of only three stallions in history, along with Man o' War and Gallant Fox, to sire an American Classic winner in each of his first two crops. He fittingly joins Curlin among "The Classic Sires" at Hill 'n' Dale.

The torch has been passed as Good Magic assumes the mantle of his Champion Sire, Curlin, at Hill 'n' Dale at Xalapa.

The regally bred Maclean's Music, who displayed true brilliance in winning his lone start, has emerged as one of the industry's leading sources of speed at stud after John Sikura recognized his rare combination of talent and pedigree—and the potential to pass those qualities along in the breeding shed. Beginning his stallion career at a modest fee, Maclean's Music has climbed the ranks through significant Grade 1 success among his progeny, including Group 1 winner Bacio, one of the world's top sprinters in 2026.

Medaglia d'Oro launched his stud career at Hill 'n' Dale, where his future Horse of the Year Rachel Alexandra was conceived. Sikura looked beyond an unconventional female family and believed in the brilliance of the racehorse. The result was Medaglia d'Oro's meteoric rise to stallion stardom, with his influence continuing today through multiple Grade 1 winner Nitrogen.

Sikura showed similar conviction after watching undefeated Candy Ride set a world record for the mile in Argentina. Undeterred by his obscure sire, Ride the Rails, Sikura listened to his gut, believing that great stallions make their own pedigree. Thus, Candy Ride would start his stud career at Hill 'n' Dale. More than two decades later, his lasting influence is headed by Breeders' Cup Classic (G1) winner and Horse of the Year Gun Runner who is being compared to Northern Dancer, Mr. Prospector and Danzig.

From Candy Ride and Medaglia d'Oro to Curlin, Maclean's Music, and Good Magic, Hill 'n' Dale's history reflects the farm's ability to recognize greatness—and the conviction to believe in it before the rest of the world does.

LONGINES WORLD'S BEST RACEHORSE RANKINGS

LONGINES
WORLD RANKINGS

ifhaonline.org

The LONGINES World's Best Racehorse Rankings *is horse racing's equivalent to World Rankings by other major sporting organizations such as ATP Tennis Rankings, World Golf Rankings, FIFA World Rankings for soccer and IRB Rugby World Rankings.*

The LONGINES Rankings are based on the ratings earned by horses running worldwide from North and South America, Europe, Middle East, South Africa, Asia through to Australia and New Zealand.

The ratings are compiled under the auspices of The International Federation of Horseracing Authorities (IFHA) by racing officials & handicappers representing the five continents who compile the ranking order by agreeing on the rating for each horse.

The ratings are based on the performance of horses in elite races held during the designated period which takes in account the quality of opposition and achievements of each horse.

Throughout the year the LONGINES Rankings are published at regular intervals and the consolidated annual rankings are released in January. The annual rankings denote the champions in the various distance categories for example sprint or mile, surface either turf or dirt/artificial and also the fillies & mares category.

Denotes Breeders' Cup pre-entry.

Three Cheers to the Breeder

The Breeders' Cup is where Champions are crowned and legends are made. Few horses have had as profound an impact on this championship event as Gun Runner, who in less than a decade has defined a new standard in the sales ring as well as on the racetrack.

Campaigned by Winchell Thoroughbreds and Three Chimneys, Gun Runner closed his racing career with five consecutive Grade 1 wins, highlighted by a victory in the 2017 Breeders' Cup Classic (G1) at Del Mar, a performance that propelled him to Horse of the Year honors. He retired to Three Chimneys with six Grade 1 victories, nearly $16 million in earnings, and was inducted into the Hall of Fame in 2024.

In the breeding shed, Gun Runner arrived on the scene with guns blazing, having sired first crop Breeders' Cup Juvenile Fillies (G1) winner Echo Zulu who would go on to be named Eclipse Champion 2YO Filly. Last year, Super Corredora became her sire's second Juvenile Fillies (G1) winner. The previous year, Sierra Leone captured the $7,000,000 Breeders' Cup Classic (G1) along with Championship honors as Eclipse Champion 3YO Male. He retired with earnings of $8,196,200.

In 2026, Gun Runner continues to rewrite the record books. He became the first stallion in history with 25 seven-figure yearlings sold at public auction in a single season, while his four Grade 1 winners include Kentucky Oaks winner Always a Runner and Travers winner Leading Change, the first horse in the 157-year history of the "Midsummer Derby" to win it in only his third career start.

History is made on Breeders' Cup Championship weekend and Gun Runner defines the true meaning of a Champion.

BREEDERS' CUP VETERINARY EXAMINATIONS

At the Breeders' Cup, veterinarians do everything possible to ensure the safety of our athletes.

STARTING 6 MONTHS Before Breeders' Cup

PRE-TEST AND EXAMINE

Around the world, Breeders' Cup coordinates with veterinarians and relevant authorities to examine Challenge Series winners and potential starters, and works with the Horseracing Welfare & Integrity Unit (HIWU) to conduct sample collections consistent with the Horseracing Integrity & Safety Authority (HISA)'s Anti-Doping and Medication Control (ADMC) program.

STARTING 30 DAYS Before Breeders' Cup

An expert veterinary review panel is tasked with reviewing potential runners for any potential risk factors that warrant further scrutiny, imaging, and diagnostic evaluation.

SECURITY & VETERINARY CHECK IN TIME

All Breeders' Cup Friday and Saturday Championship runners must report to Keeneland for security check in on **TUESDAY, OCT 27.**

At any time, blood, hair, or urine samples may be taken for additional testing. Runners are carefully monitored by the equine security team 24 hours a day.

EXPERIENCED VETERINARIANS

The Breeders' Cup employs highly respected, experienced regulatory veterinarians to assemble at Keeneland to begin daily inspections of all runners by assigned veterinary teams. The teams pair Breeders' Cup veterinarians and Kentucky Horse Racing & Gaming (KHRG) regulatory veterinarians.

FLEXIBILITY & JOGGING

Veterinary teams go to every trainer's barn to examine each horse, which includes a combination of feeling its legs, testing for flexibility, and jogging to demonstrate the horse's natural movement. All horses must pass a jog-up exam before being allowed on the track to exercise.

OBSERVE ON THE TRACK

Veterinary teams are stationed around the racetrack to observe Breeders' Cup horses during training in the mornings. All runners must undergo a mandatory jog-up exam prior to training. This ensures that the horses show no outward signs of injury and shows how well the horse moves over the racing surface. Jog-up exams are recorded on video for future review and evaluation.

REGULAR MONITORING

The Breeders' Cup horses are closely observed, with multiple examinations done from the time they arrive at Keeneland up until race day. Each day, the veterinary team meets to discuss each participating horse.

RACE DAYS • OCTOBER 30 – 31, 2026

LOOK AT EVERY STARTER AT THEIR BARN

Veterinary teams conduct intensive examinations of every starter at their barn to determine if each horse is fit to race. If a runner is found to be unfit to race, the official KHRG veterinarian will communicate with the Stewards and the trainer, which results in a veterinarian's scratch, meaning the horse will not run.

PADDOCK TO THE TRACK

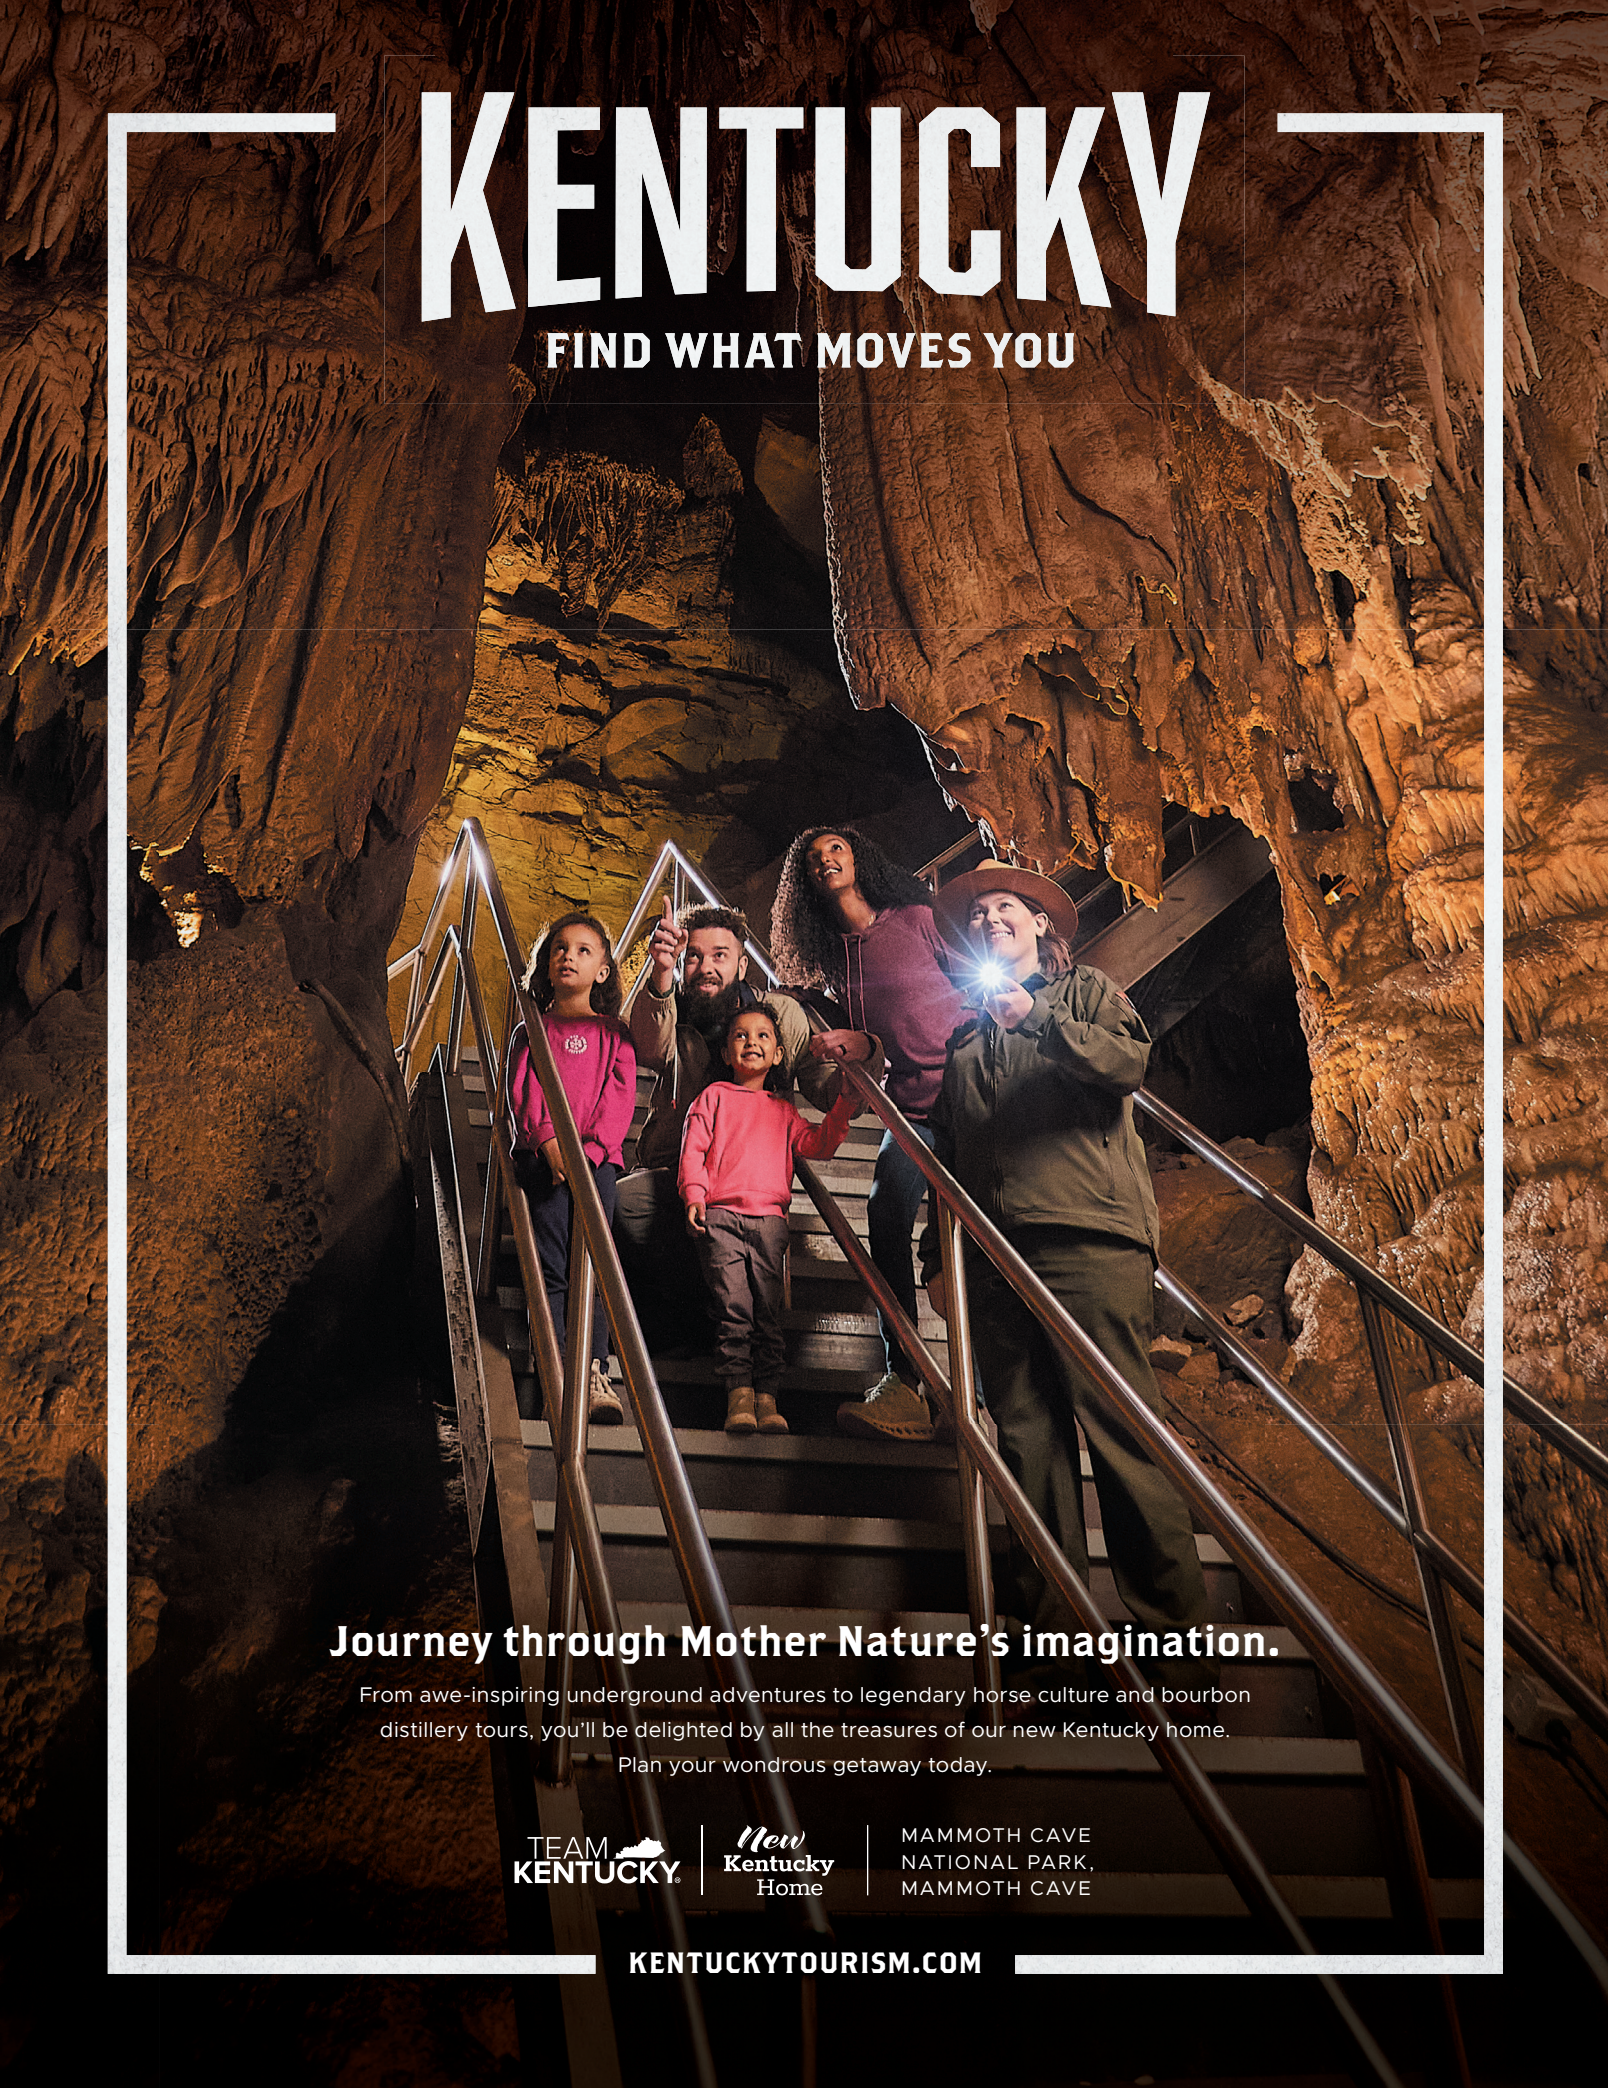

Veterinary teams are stationed in the paddock to observe the horses as they are being saddled. When the horses are called to the track, the veterinary team follows the runners to the racetrack. The veterinary teams then observe the horses as they jog to warm up before going to the starting gate. If a horse does not warm up appropriately, it is removed from the race as a late scratch.

INJURY MANAGEMENT TEAM

The veterinarian and medical teams take their positions around the racetrack so that if any horse or rider needs attention before, during, or after the race, they can immediately respond.

SURFACE MAINTENANCE & TECHNOLOGY

TRACK CONDITIONING IS DONE MULTIPLE TIMES A DAY.

Factors that can be controlled in dirt and turf tracks are water, compaction, and material composition/loss.

DIRT TRACK

The main track at Keeneland is a natural dirt track that is a mixture of sand, silt and clay. In order to ensure the safest track conditions for the athletes, surface specialists use a number of maintenance techniques depending on weather conditions.

Various types of machinery are used by the track superintendent for grooming the track to ensure proper cushioning depth and surface consistency for each race.

Instruments are used to measure and record cushion depth as well as moisture content to provide the safest possible racing surface.

These same techniques are used several times each morning and during renovation breaks to ensure a consistent and safe surface while horses are exercising in preparation for future races.

TURF TRACK

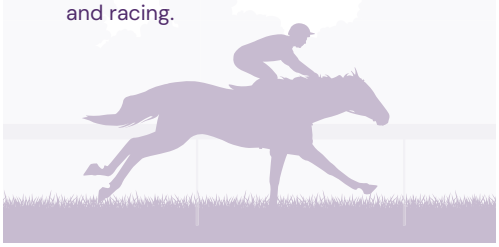

To provide consistent and even footing, the track's inside safety rail can be repositioned to ensure that the horses are running on fresh and even turf.

Tamping of divots and aeration are two ways to ensure consistent and cushioned footing.

Moisture content is closely monitored to produce even footing while promoting turf growth.

KEENELAND SURFACE TESTING PROTOCOLS

- Experts use instrumentation to collect data on track conditions to ensure that the surface is consistent between days and around and across the track.
- The surface testing process at Keeneland is ongoing throughout training and racing.

THE FAB FOUR

HISTORY HAS PROVEN TIME AND AGAIN THAT THE ROAD TO THE BREEDERS' CUP GOES THROUGH THE GAINESWAY STALLION BARN, AND INCREDIBLE POTENTIAL LIES WITHIN THE FARM'S FOUR STALLIONS WHOSE FIRST WEANLINGS WILL BE OFFERED AT THIS YEAR'S FASIG-TIPTON AND KEENELAND NOVEMBER SALES, ELIGIBLE FOR THE BREEDERS' CUP IN 2028 AND BEYOND.

MUTH

THE PHYSICAL SPECIMEN

Power and performance in one eye-catching package, Muth was the only incoming stallion of 2025 to retire with Grade 1 wins at two and three, in the American Pharoah Stakes (**G1**) and Arkansas Derby (**G1**), respectively. He showed incredible depth in his toolkit, winning graded stakes from seven furlongs to 1 1/8 miles.

Breeders responded by sending Muth 185 mares during his debut season at stud.

His sire power is rooted in classic success, with sire Good Magic being responsible for winners of Triple Crown races in each of his first two crops. Muth's grandsire is the mighty Curlin, who is one of the great sires of classic and Breeders' Cup performers of the 21st century.

CHARGE IT

THE BRILLIANT PERFORMER

Head-turning performances were the name of the game for Charge It, who won the Dwyer Stakes (**G3**) by an astounding 23 lengths on his way to earning a 111 Beyer Speed Figure – one of four career Beyers of 100 or higher.

By Gainesway's cornerstone sire Tapit, Charge It is bred on the same Tapit-over-Indian Charlie cross that produced Horse of the Year Flightline, and his second dam is Broodmare of the Year Take Charge Lady.

Breeders took note of Charge It's incredible performance and genetics, and he bred 235 mares in his debut season – the fifth most in North America.

SEIZE THE GREY

THE CLASSIC HERO

One of the brightest stars of Arrogate's brief but brilliant career at stud, Seize the Grey captured the 2024 Preakness Stakes (**G1**), and confirmed his status as one of the best 3-year-olds of his class with another win in the Pennsylvania Derby (**G1**).

Seize the Grey made $2,425,938 on the racetrack, making him the highest-earning son of Hall of Famer Arrogate. He's supported in the female family by a bevy of black type, including Grade 1 winners, including Mining, Miss Shop, and Power Broker.

Seize the Grey covered 196 mares during his inaugural season at stud, making him among the top 15 busiest sires of 2025.

TAPIT TRICE

THE BLUE BLOOD

A horse born for the classics, with the tools to pass that down, Tapit Trice won the Blue Grass Stakes (**G1**) and Tampa Bay Derby (**G2**) on his way to a classic placing at three, then he became a top older male at four, with wins including the Woodward Stakes (**G2**).

His sire Tapit is the co-leader for most Belmont Stakes (**G1**)-winning sons, with four, and Tapit Trice's dam, stakes winner Danzatrice, is a half-sister to Breeders' Cup Juvenile winner and Eclipse Award champion Jaywalk.

Tapit Trice is bred on the same Tapit-over-Unbridled's Song-line cross as two-time Eclipse Award champion Unique Bella and Breeders' Cup Distaff winner Scylla, as well as dual classic-placed Tacitus.
