THE CITY OF SAN DIEGO

TODD GLORIA

MAYOR

November 1-2, 2024

Dear Friends:

On behalf of the City of San Diego, it is my distinct honor to welcome you to the 2024 Breeders' Cup Championships. We are thrilled to host once again one of the most prestigious events in horse racing and share the beauty and excitement of our region with you all from around the world.

San Diego is known for its near-perfect weather year-round, stunning beaches, and world-class restaurants and attractions, making it the ideal backdrop for this year's championships. Whether this is your first time here or you are a returning visitor, I encourage you to take in all that our vibrant city has to offer. From our scenic coastlines to the historic charm of Old Town and the vibrant energy of our Downtown Gaslamp Quarter, there's truly something for everyone to enjoy.

The Del Mar Fairgrounds, famously "where the surf meets the turf," has a rich history in horse racing and provides the perfect stage for these incredible athletes and their teams.

Thank you for being part of this extraordinary event. Again, we are thrilled to welcome the Breeders' Cup back to San Diego.

Sincerely,

A handwritten signature in black ink that reads "Todd Gloria".

City of San Diego

A message from Del Mar's CEO

On behalf of the Del Mar Thoroughbred Club's board of directors and staff, I'd like to welcome you to Del Mar, as we proudly host the Breeder's Cup World Championships for a third time.

The world beyond Southern California discovered Del Mar during our inaugural Breeders' Cup in 2017. Those two days of unrivalled racing, five-star hospitality, along with the natural splendor of the village of Del Mar and nearby San Diego led to the return of the Breeders' Cup in 2021. And now, it's back in 2024.

Since 1937 when Bing Crosby and his Hollywood pals brought Thoroughbred racing to this spectacular seaside venue, Del Mar has been the site of many of the sport's greatest legends and champions. Building on that legacy, we couldn't be more honored to host the two greatest days of racing – the Breeders' Cup World Championships. And we couldn't have done it without the incredible support from

the City of San Diego, its mayor, Todd Gloria, and the community at large, who all understand the benefits of bringing this prestigious international event to our region.

At Del Mar, we like to say we throw a party for our fans every race day. But lucky you. You're here for the biggest party of the year in one of the most beautiful corners of the world.

Enjoy and welcome to Del Mar.

With warmest regards,

A handwritten signature in black ink, which appears to read "Joe Harper". The signature is stylized with a large loop at the end.

Joe Harper
CEO,
Del Mar Thoroughbred Club

**Welcome to the 2024 Breeders' Cup World Championships.**

We are so pleased you and your guests have decided to join us for the best two days of racing in the world, held this year on the shores of the Pacific Ocean "Where the Turf Meets the Surf" at Del Mar Thoroughbred Club. Over the two-day Breeders' Cup World Championships, you will witness the top horses, jockeys, owners, trainers, and breeders from around the globe compete to become World Champions. The action kicks off with Future Stars Friday, when five World Championships races highlight the up-and-coming talent of tomorrow's stars. Then it's on to Championships Saturday, where nine World Championships races feature a vast array of international talent on turf and dirt, highlighted by the crowning of our \$7 million Longines Breeders' Cup Classic (G1) winner.

Since our founding in 1984, the Breeders' Cup has used the World Championships to reinvest in the Thoroughbred industry, crowning 402 Champions and paying out more than \$1 billion in purses and awards to owners and breeders. This year, Breeders' Cup has increased purses and awards to a total of \$34 million and has expanded investment in the on-site experience, demonstrating our continued commitment to our participants, fans, bettors, and the sport of Thoroughbred racing. There's nothing quite like the thrilling fun of a day at the races, and we're happy to celebrate this weekend with all of you.

The World Championships are a testament to the tireless efforts of our dedicated team, who work year-round to deliver an exceptional experience for both participants and spectators. We are also immensely grateful for the unwavering support of our dedicated Board and Members, and our great partners at Del Mar and in the surrounding communities, whose invaluable contributions make the World Championships a reality.

To our Breeders and Nominators, thank you for your never-ending loyalty and dedication to Thoroughbred racing. Your meticulous care of, and commitment to, your beloved horses exemplifies the spirit of the Breeders' Cup, ensuring the preservation of a world-class competition that continues to set the standard for excellence on a global scale.

On behalf of the Breeders' Cup Board of Directors and Members, we hope you enjoy the incredible experience and cherished memories this year's World Championships are sure to provide as the sport's greatest Thoroughbreds put on an extraordinary show.

Best regards,

Breeders' Cup Limited and Del Mar Thoroughbred Club are pleased to present the variety of bet types offered at this year's Breeders' Cup World Championships. For your enjoyment and to increase your knowledge, the following descriptions include information and strategies to play these wagers.

WHY THE BREEDERS' CUP
WORLD CHAMPIONSHIPS
ARE THE BEST BET IN RACING

A full field of 14, Grade 1-quality horses competing in most of the Championship races presents high wagering value. The average payout prices for all bet types are higher due to the competitiveness of the horses, the large fields, and the total volume of wagering, which exceeds \$200 million. You should make a plan for your wagers by doing some advance handicapping, making your selections, and determining the types and amounts of your wagers prior to getting into a mutuel line. Having a plan will guarantee you the best chance to take advantage of the Championships. The following examples detail methods and strategies for wagering using each of the various bet types.

One of the most popular bets during the Championships, the Pick 4 gives you a chance to cash a big paying bet for a small investment. The Pick 4 is offered on races 2-5, 4-7 and 7-10 on Friday. On Saturday, the Pick 4 is offered on Races 2-5, 5-8, 6-9, 7-10, and 9-12. The Pick

4 is similar to the Pick 3 but you must select four consecutive winners in four consecutive races.

A popular way to play the bet is to pick multiple horses in one or two legs and a single or two horses in the other legs; maybe $5 \times 2 \times 1 \times 4 = 40$ combinations, but it is only a \$20 wager and you've given yourself a chance to hit a high payout.

\$0.50 bet is available

HIGH 5:

Breeders' Cup will offer this wager on all races both Friday and Saturday. This bet requires players to select the first five finishers in the correct order in one specific race.

\$0.50 bet is available

SURFACE MAINTENANCE & TECHNOLOGY

TRACK CONDITIONING IS DONE MULTIPLE TIMES A DAY.

Factors that can be controlled in dirt and turf tracks are water, compaction, and material composition/loss.

DIRT TRACK

The main track at Del Mar is a natural dirt track that is a combination of several types of dirt and sand. In order to ensure the safest track conditions for the athletes, surface specialists use a number of maintenance techniques depending on weather conditions.

Various types of machinery are used by the track superintendent for grooming the track to ensure proper cushioning depth and surface consistency for each race.

Instruments are used to measure and record cushion depth as well as moisture content to provide the safest possible racing surface.

These same techniques are used several times each morning and during "renovation breaks" to ensure a consistent and safe surface while horses are exercising in preparation for future races.

TURF TRACK

To provide consistent and even footing, the track's inside safety rail can be repositioned to ensure that the horses are running on fresh and even turf.

Tamping of divots and aeration are two ways to ensure consistent and cushioned footing.

Moisture content is closely monitored to produce even footing while promoting turf growth.

DEL MAR SURFACE TESTING PROTOCOLS

Experts use instrumentation to collect data on track conditions to ensure that the surface is consistent around and across the track.

The surface testing process at Del Mar is ongoing throughout training and racing.

The LONGINES World's Best Racehorse Rankings is horse racing's equivalent to World Rankings by other major sporting organizations such as ATP Tennis Rankings, World Golf Rankings, FIFA World Rankings for soccer and IRB Rugby World Rankings.

The LONGINES Rankings are based on the ratings earned by horses running worldwide from North and South America, Europe, Middle East, South Africa, Asia through to Australia and New Zealand.

The ratings are compiled under the auspices of The International Federation of Horseracing Authorities (IFHA) by racing officials & handicappers representing the five continents who compile the ranking order by agreeing on the rating for each horse.

The ratings are based on the performance of horses in elite races held during the designated period which takes in account the quality of opposition and achievements of each horse.

Throughout the year the LONGINES Rankings are published at regular intervals and the consolidated annual rankings are released in January. The annual rankings denote the champions in the various distance categories for example sprint or mile, surface either turf or dirt/artificial and also the fillies & mares category.

 Denotes Breeders' Cup pre-entry.

A CLOSER LOOK AT BREEDERS' CUP SAFETY PROTOCOLS

All runners must be on grounds for a security check-in

TUES, OCT 29

and are under surveillance by security experts, veterinarians, track officials, and regulators at all times.

Equine security experts monitor all runners

24 HOURS

a day, monitoring visits by staff associated with the runner and any healthcare treatments administered prior to race day.

Multiple veterinary teams from Breeders' Cup, Del Mar, and the California Horse Racing Board assemble to evaluate and examine runners

5-6 TIMES

before race day and meet regularly to discuss their observations and findings.

OTHER STRENGTHENED ON-SITE REQUIREMENTS

Increased **VETERINARY REVIEW** of medical records, past performances, and prescriptions.

Prohibition of **RACE DAY MEDICATION.**

INCREASED withdrawal times for anti-inflammatory medication.

DAILY SURFACE TESTING overseen by international turf and dirt experts, followed by the distribution of reports on the track conditions in addition to ongoing conditioning and maintenance based on weather conditions.

JOCKEYS required to comply with concussion protocols and equipment safety standards in addition to being required to participate in HISA's HeadCheck program.

VETERINARY AND MEDICAL teams positioned around the racetrack to immediately respond to any horse or rider that may need attention before, during or after the race.

OUT-OF-COMPETITION TESTING

JUNE

Around the world, Breeders' Cup veterinarians work in conjunction with HIWU or with international regulatory authorities in cooperation with HIWU to perform out-of-competition testing to ensure runners have not used performance enhancing substances or banned substances.

AUGUST

Most of the pre-event testing takes place when contenders are stabled at tracks with their trainers, but in Europe, samples are taken by veterinarians traveling to individual stables due to different stabling/shipping protocols.

OCTOBER

Testing continues until race day.

NOVEMBER

At minimum the top 4 finishers in each Breeders' Cup World Championships race will be subject to HIWU post-race sample collection.

LIFE IS GOOD vs. FLIGHTLINE: SHOWDOWN AT STUD

Written by *Alicia Hughes*

Their paths only crossed once on the racetrack, a convergence that fittingly transpired against one of Thoroughbred racing's grandest backdrops. And in the two minutes they spent testing one another's will during the 2022 Breeders' Cup Classic (G1) at Keeneland, both multiple Grade 1-winner Life Is Good and champion Flightline managed to produce clear evidence as to why they were undoubtedly considered the superior talents amongst their peers.

For the latter, the day marked a coronation of a generational talent. While pundits were already mentioning Flightline's name in the same breath as some of the sport's all-timers due to the way he dismissed his challengers with condescending ease, his record-setting 8 ¼ length triumph in his final career start proved he indeed occupied the rarest of stratospheres.

Though Life Is Good would go down in defeat in what was also his competitive swan song, the fact that the son of Into Mischief took it to the eventual Horse of the Year by throwing down blistering fractions that kept him in front until the top of the lane would go down as arguably his most admirable display of mettle.

At one point during the race, there was a gulf of more than 13 lengths that separated the top two from the rest of the field. Though each has retired to their respective stud barns, both WinStar Farm stallion Life Is Good and Lane's End Farm's Flightline are poised to continue their rivalry in a manner that once again could put them well ahead of their classmates.

Given that each is blessed with the sought-after mix of top-level race records, outstanding physical presence, and some of the best bloodlines in the sport, Life Is Good and Flightline figure to find themselves again slugging it out for the lead in what could go down as one of the most impactful groups of stallions in recent times.

If they were boxers posing for old-school promotional posters, the tale of the tape on Life Is Good and Flightline with regards to their stallion potential would be a pick 'em contest. With the former by five-time leading stallion Into Mischief and Flightline a son of the legendary Tapit, the two bay stunners are the latest progeny to attempt to add to the legacies of their respective sires. On the female side, both also boast the influence of two of the best broodmare sires with Flightline out of the Grade 3-winning Indian Charlie mare, Feathered, and Life Is Good being produced by the Distorted Humor mare, Beach Walk.

"For these two stallions to be as brilliant as they were on the racetrack and the books that both of them have gotten, I think they both could be elite stallions," said Elliott Walden, President, CEO, and Racing Manager for WinStar Farm. "I think the thing that will give both of these horses a real leg up is the quality of books they are breeding. Life Is Good bred in his first crop 11 Grade 1-winners and dams of 14 other Grade 1 winners. So, 25 were either Grade 1-winners themselves or Grade 1-producers.

"If you think about the quality of the book, the quality of the racehorse, and the quality of the pedigree, I think it leads to (Life Is Good being) the most exciting stallion we've ever had at stud here. That doesn't mean he's going to be the best one but going in, he's definitely the most exciting stallion prospect we've ever had."

Life Is Good possesses all the intangibles needed to potentially reign atop the General Sire List.

After breaking his maiden at first asking in November 2020 for his original trainer, Bob Baffert, Life Is Good raced exclusively in graded company for the remainder of his 12-race career. His ability over the stallion-making distance of eight

furlongs was amplified when he captured the 2021 Breeders' Cup Dirt Mile (G1) by 5 ¾ lengths after throwing down a half-mile in :44.94, a measure of class he carried over routes of ground during subsequent Grade 1 victories for Hall of Famer Todd Pletcher in the Pegasus World Cup Invitational, Whitney, and Woodward Stakes.

Life Is Good's precocity and brilliance was supported by a vitality that allowed him to answer almost every major bell in his division. After returning from five months on the sidelines during his sophomore season, Life Is Good made nine starts from August 2021 through the 2022 Breeders' Cup Classic in November with his only break being a brief freshening following his fourth-place run in the 2022 Dubai World Cup (G1).

"I think the real key for Life Is Good to be a potential elite stallion is his athleticism and his balance from a physical perspective," Walden said. "When people came to see him, they knew he was a good-looking horse, but they are still enamored with his balance, the way his neck ties into his shoulder, the length of his shoulder... it all fits to make a horse who is just incredibly well-balanced. He will fit and clean up a lot of mares that come in a lot of different shapes and sizes...and I think that will be a driving point for his success.

"I think it's also well-documented that milers make the best stallions and this horse, if we never ran him 1 ¼-miles, he would have been 9-for-10. Even in the Breeders' Cup Classic, I would have loved to have seen it at a mile. But we wanted to go against the best."

At every crucial point of his six-race career, Flightline indeed showed he had no superior.

Whether he was traveling six furlongs during his 13 ¼-length maiden win in April 2021, the one-mile distance of his six-length Metropolitan Handicap (G1) triumph the following June, or the 10 furlongs he cantered over while taking the Pacific Classic (G1) and Breeders' Cup Classic by a combined 27 ½ lengths, there was no scenario Flightline couldn't turn into a personal masterclass. Under trainer John Sadler's artful management, the bay colt never approached the bottom of his ability leaving many in the racing community to wonder if there was any ceiling with regards to surface or distance he couldn't obliterate.

His physical prowess was matched only by a mindset that ran counter to the temperamental nature that can be a hallmark of offspring by Tapit. Everything about Flightline was nothing short of professional, from the way he accepted his lessons in training to the way he dismantled every would-be challenge on the track.

"This is the kind of horse you dream about managing," said Bill Farish of Lane's End, who co-campaigned Flightline under his Woodford Racing banner. "With Tapit, some of his colts have been a little difficult to manage and that is not the case with Flightline. He's just taken everything we've ever asked of him as easily as you would hope."

Awe-inspiring as their talents were in a competitive setting, the most enduring chapters in the careers of Life Is Good and Flightline are set to be penned in the coming years as their offspring try and live up to their ample billing. Similar to their Breeders' Cup meeting, it won't simply be a two-horse race.

Yet, as was the case that evening at Keeneland, few will be surprised if the two standouts continue to distance themselves from their brethren.

"Leading sires tend to come in bunches so...it's going to be really exciting," Walden said. "We can't wait until 2026 to see these foals start running."

BREEDERS' CUP VETERINARIAN EXAMINATIONS

At the Breeders' Cup, veterinarians do everything possible to ensure the

SAFETY OF OUR ATHLETES

STARTING 6 MONTHS Before Breeders' Cup

PRE-TEST AND EXAMINE

Around the world, Breeders' Cup coordinates with veterinarians and relevant authorities to examine Challenge Series winners and potential starters, and works with HIWU to conduct sample collections consistent with HISA's ADMC Program.

STARTING 30 DAYS Before Breeders' Cup

An expert veterinary review panel is tasked with reviewing potential runners for any potential risk factors that warrant further scrutiny, imaging, and diagnostic evaluation.

SECURITY & VETERINARY CHECK IN TIME

All Breeders' Cup Friday and Saturday Championship runners must report to Del Mar for security check in on **TUESDAY, OCT 29**.

At any time, blood, hair, or urine samples may be taken for additional testing. Runners are carefully monitored by the equine security team 24 hours a day.

EXPERIENCED VETERINARIANS

The Breeders' Cup employs highly respected, experienced regulatory veterinarians to assemble at Del Mar to begin daily inspections of all runners by assigned veterinary teams. The teams pair Breeders' Cup veterinarians, the Del Mar regulatory veterinarians, and CHRB regulatory veterinarians.

FLEXIBILITY & JOGGING

Veterinary teams go to every trainer's barn to examine each horse, which includes a combination of feeling its legs, testing for flexibility, and jogging to demonstrate the horse's natural movement. All horses must pass a jog up exam before being allowed on the track to exercise.

OBSERVE ON THE TRACK

Veterinary teams are stationed around the racetrack to observe Breeders' Cup horses during training in the mornings. All runners must undergo a mandatory trot up exam prior to training. This ensures that the horses show no outward signs of injury and shows how well the horse moves over the racing surface.

REGULAR MONITORING

The Breeders' Cup horses are closely observed, with multiple examinations done from the time they arrive at Del Mar up until race day. Each day, the veterinary team meets to discuss each participating horse.

RACE DAYS NOVEMBER 1-2

LOOK AT EVERY STARTER AT THEIR BARN

Veterinary teams conduct intensive examinations of every starter at their barn to determine if each horse is fit to race. If a runner is found to be unfit to race, the official CHRB veterinarian will communicate with the Stewards and the trainer, which results in a Veterinarian's scratch, meaning the horse will not run.

INJURY MANAGEMENT TEAM

The veterinarian and medical teams take their positions around the racetrack so that if any horse or rider needs attention before, during, or after the race, they can immediately respond.

PADDOCK TO THE TRACK

Veterinary teams are stationed in the paddock to observe the horses as they are being saddled. When the horses are called to the track, the veterinary team follows the runners to the racetrack. The veterinary teams then observe the horses as they jog to warm up before going to the starting gate. If a horse does not warm up appropriately, it is removed from the race as a late scratch.

Claiborne Farm

Raising the Bar

The key to success is starting with fertile ground, and there is perhaps no ground more fertile in the Thoroughbred industry than Claiborne Farm.

Since the foal crop of 2000, Claiborne Farm has raised 137 graded stakes winners - either as Claiborne homebreds or for clients - setting foot in the winner's circle for the biggest races on the calendar.

As such, Claiborne Farm has been a prolific source of Breeders' Cup success over the past 24 years, with five winners of six races at the marquee event over that span of time.

Roy H, bred by Ramona Bass, was one of the most prominent runners around one turn of the late 2010s, claiming the Breeders' Cup Sprint (G1) in 2017 and 2018 en route to Eclipse Award honors as champion male sprinter both seasons.

Storm Flag Flying earned champion 2-year-old female honors in 2002 after winning that year's Breeders' Cup Juvenile Fillies (G1) as a homebred for Phipps Stable. The Phipps operation also campaigned 2005 Breeders' Cup Distaff (G1) winner Pleasant Home as a homebred.

Also securing an Eclipse Award after Breeders' Cup success was War Pass, bred by Cherry Valley Farm, who was named champion 2-year-old male after taking the Juvenile (G1) in 2007.

The greatest Breeders' Cup prize was claimed by Blame, a homebred for Claiborne Farm and Adele Dilschneider, who outdueled the mighty Zenyatta in the 2010 Classic (G1), widely considered to be one of the most exciting races of the decade. The victory clinched champion older male honors at that season's Eclipse Awards.

In addition to earning the biggest Breeders' Cup victory among the horses raised at Claiborne Farm since 2000, Blame is one of four horses raised at the farm since the 2000 crop that currently reside on Claiborne's stallion roster.

Blame, a son of Arch, is the sire of six Grade 1 winners, and he has already established himself as an elite broodmare sire, responsible for stakes winners that include 2022 Breeders' Cup Juvenile (G1) winner and champion 2-year-old male Forte.

Claiborne and Dilschneider also bred the veteran sire Lea, by fellow Claiborne resident First Samurai, who sent Nagirroc to a third-place finish in the 2022 Breeders' Cup Juvenile Turf (G1) during a graded stakes-winning career.

War Front, a homebred for Joseph Allen, is the sire of 2015 Breeders' Cup Juvenile Turf (G1) winner Hit It a Bomb, among his army of Grade and Group 1 winners at home and abroad. The greatest son of the mighty Danzig at stud is also the sire of Preakness Stakes (G1) winner and fellow Claiborne stallion War of Will.

Rounding out the quartet is Annapolis, a homebred for Bass Racing who stood his first season at stud in 2024. The son of War Front earned over \$1.5 million on the racetrack, highlighted by a victory in the Coolmore Turf Mile Stakes (G1) at Keeneland.

We could fill this whole page talking about the speed and performance of a Z530M ZTrak™ Mower, or the versatility of a 1 Series Tractor. We could even go in depth on the 4,000 lb towing capacity of the Gator™ XUV835M. But if you really want to know what it's like to run with us,

YOU JUST HAVE TO GET IN THE SEAT.

Home of Champions

Ashford Stud, in the heart of Kentucky's famous Bluegrass, is home to Coolmore America. When Ashford first opened its doors for the 1982 breeding season the stallion roster was headlined by Storm Bird, the highest rated two-year-old in Europe in 1980. Among the resident mares was Terlingua. Her mating to Storm Bird that year would have a lasting impact on thoroughbred breeding worldwide through the exploits of their prolific son Storm Cat. 1996 marked the retirement of Kentucky Derby winner Thunder Gulch, who is out of a daughter of Storm Bird. Thunder Gulch would soon gain the distinction of being the first Champion Sire to stand at Ashford when he topped the general sires list in 2001.

In the meantime, Giant's Causeway notched up three Champion Sire titles; only the fifth sire to do so since 1941 following luminaries Bull Lea, Nasrullah, Bold Ruler and Danzig. The 2YO Sires table has been topped by Ashford sires Woodman (twice), Hennessy, Tale Of The Cat, Giant's Causeway (twice), Uncle Mo, Scat Daddy and his Triple Crown-winning son Justify. The latter has made a truly outstanding start to his stud career alongside the only other living Triple Crown winner American Pharoah.

Other established sires Uncle Mo, Munnings and Practical Joke were all responsible for more Grade 1 winners on the racetrack this year and enjoyed considerable success in the sales ring this autumn.

A quartet of Grade 1 winners in the shape of Corniche, Epicenter, Golden Pal and Jack Christopher all have weanlings selling this November while ace sprinter Gunite will have his first foals on the ground in 2025.

All in all, we think it's safe to say Ashford's iconic stallion barns will continue to house influential breed shapers for years to come.

Three Chimneys has always viewed the breeder as the lifeblood of the thoroughbred industry. In an effort to properly recognize the breeders of the winners of each Breeders' Cup race, in 2017 Three Chimneys approached the Breeders' Cup to establish the "Three Cheers to the Breeder" sponsorship. As a result, the Breeders' Cup created a special "Breeder's" trophy which is presented to the breeder of the winner of each of the Breeders' Cup races on our industry's Championship weekend.

Pictured below, from Three Chimneys are Doug Cauthen (l) and Rebecca Nicholson (r) presenting the Breeders' Cup "Breeder's trophy" in the winner's circle to Garrett O'Rourke (c), General Manager of Juddmonte Farm.
