April 21, 2025

Executive Summary

Background, Scope, and Objectives

The United States Olympic & Paralympic Committee's Audit department (USOPC Audit) completed an audit of USA Field Hockey. The purpose of the audit was to determine if USA Field Hockey complies with the requirements of the NGB Compliance Standards (Standards), effective January 1, 2025, and to conduct testing in areas that present an increased risk to athletes, other members, and/or USA Field Hockey. The audit focused on the policies and procedures noted in the Standards in the following sections: Governance and Compliance, Financial Standards and Reporting Practices, Athlete Protections and Rights, Sport Performance, and Operational Performance.

Audit Summary

Overall, USOPC Audit concluded that USA Field Hockey has met 24 of 27 applicable Standards and did not identify any significant concerns. USA Field Hockey maintains well-structured policies and upholds appropriate athlete representation on its board and designated committees, reinforcing its commitment to athlete engagement and inclusion. Additional details are in the findings below.

NGB Compliance Audit Findings

All Standards are evaluated against the 2025 Implementation Guide for Compliance Standards (Implementation Guide). References to the USOPC Bylaws are based on the effective date of April 1, 2024.

The evaluation of and conclusion for each standard was based on the criteria met and the results of any testing.
