

2024 USOPC-NGB MEDICAL CONFERENCE

Join us for the fourth annual USOPC-NGB Medical Conference! This multidisciplinary meeting brings together a robust medical community across the Olympic and Paralympic movements to share best practices, discuss USOPC medical resources, present pathways for getting involved with Team USA, hands-on trainings, networking receptions with USOPC and NGB medical leads and much more.

CONTINUING EDUCATION

The USOPC will provide continuing education credits to athletic trainers, chiropractors (California)*, physical therapist (California and Colorado), physicians* and physician assistants*. Through a joint providership agreement, the American Academy of Physical Medicine & Rehabilitation is the accredited provider of this educational activity.

**CE credits are currently pending approval per profession. Please check back to the [event website](#) for updated information.*

The United States Olympic & Paralympic Committee is approved by the Board of Certification, Inc. to offer continuing education for athletic trainers.

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American Academy of Physical Medicine and Rehabilitation and United States Olympic & Paralympic Committee. The American Academy of Physical Medicine and Rehabilitation is accredited by the ACCME to provide continuing medical education for physicians.

19.25*

CME Credit Designation:

AAPM&R designates this enduring material for a maximum of 19.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Claiming CME:

All attendees will need to use AAPM&R's Online Learning Portal (OLP) to claim their CME. Physicians will be awarded AMA PRA Category 1 Credits™. Visit onlinelearning.aapmr.org.

**AAPM&R grants permission to the United States Olympic & Paralympic Committee (USOPC) for the right to use our logo in marketing materials as the CME provider for the USOPC-NGB Medical Conference.*

Learning objectives:

At the completion of this program, attendees will be able to:

1. Apply best practices when working with a health care provider who is interested in pursuing working within the NGB pathway to be a part of the medical staff for a Games.
2. Utilizing current best practices to treat medical emergencies in Paralympic athletes.
3. Implement leadership skills to improve effectiveness of the sports medicine team.
4. Develop and/or improve current mental health emergency action plans for training and competition utilizing current evidence-based information.
5. Integrate updates for the evaluation and treatment of sport related concussion using the latest evidence-based information.

Schedule and Format: Two and a half day conference offered both in-person and virtually with lectures and hands-on trainings from distinguished medical professionals and panelists.

Cancellation/Refund Policy: To request a refund, please contact [USOPC Sports Medicine](#) on or before January 16, 2024. No refund requests will be accepted after this date. The USOPC will process the refund within 10-14 business days from the day the request is received.

Required materials and equipment: Virtual participants are required to be able to log in and view the streaming presentation on the device of their choice. This device may be a computer, tablet, or smartphone. All materials will be provided for in-person attendees.

If you have any questions regarding this event, please contact SportsMedEvents@usopc.org.
