athletes have  
a military  
background

2 1 1  
Marines Army Navy

11  
ATHLETES  
are returning  
collegiate  
Paralympians

NOTE: Team USA's collegiate footprint is defined by athletes who have or will represent their college in competition. This includes athletes who have already finished their collegiate careers and those currently competing as student-athletes. While many will have competed in NCAA intercollegiate athletics, athletes who competed in non-NCAA varsity and club sports are also included in these statistics. All data reflects the published Team USA roster from February 21, 2022.
