<i>Finding Notes</i>	
These events include the highest levels of competition in the sport and selection to the team is guided by an NGB led team selection process.	

The NGB and it's AAC also requested and were granted an exemption for currently serving athletes on NGB Committees and/or the NGB Board who may not meet the 10 Year definition approved above to finish their current term. This exemption is to allow these athlete representatives to complete their current term alone and does not extend beyond that scope.
