

CHILDREN ON CAMPUS

STANDARDS & EXPECTATIONS GUIDE

The OPTC is a high-performance training environment first. This program supports parent-athletes and their children while protecting the experience of all athletes on campus.

Supervision Standards

- Children must be under the direct supervision of a parent-athlete or approved caregiver at all times.
- Children are never left unattended in rooms, common areas, dining spaces or hallways.

Training Areas

Off-limit training areas include:

- Weight room
- Sports Medicine
- Training Areas (push track, rhythmic carpet, etc.)
- 24-hour Recovery Room
- No climbing, touching, or using training equipment

Shared Spaces

- Shared spaces are not playrooms or nap areas.
- Use meeting rooms and lounges for their intended purpose.
- Return furniture and items how you found them.

Room Standards

- Diaper bins are available upon request.
- Furniture returned to original place upon check-out.

Cleanliness

- Clean up spills, crumbs, and messes right away.
- Pick up toys and personal items.
- Dispose of diapers in dumpster.

Dining Courtesy

- Keep children with you at your table.
- Clean up food, spills, and high chairs.
- Return high chair after use.
- Be considerate of others.

Safety & Emergencies

- In an emergency, parents are responsible for their children.
- Follow all staff instructions.
- Keep children away from doors, equipment, and restricted areas.

Community Resources

- Treat all athletes, staff, and guests with respect and kindness.
- Parent-athlete resource guide is helpful for off-campus family friendly activities.

Respect Recovery

- Keep noises and play at a respectful level.
- Be mindful of quiet hours, training, recovery, study, and work time of everyone on campus.

Parent-athletes are responsible for supervision, behavior, cleanliness, safety and any damage caused by their children.
