92

Olympic medals were earned by

70

Team USA collegiate medalists from

46

schools.

11 TEAMS HAVE > 50% COLLEGIATE PARTICIPATION:

NOTE: Team USA's collegiate footprint is defined by athletes who have or will represent their college in competition. This includes athletes who have already finished their collegiate careers, those currently competing and incomers who have signed National Letters of Intent. While some athletes will have competed in NCAA intercollegiate athletics, athletes who competed in non-NCAA varsity, adaptive and club sports are also included in these statistics.
