

Athletes must apply for the in-state tuition classification each semester they enroll in classes.

Athletic eligibility will be reviewed each time they submit a form.

1. Ask your NGB if you're eligible for in-state tuition.
2. If you are eligible, ask your NGB to email ACE.edu@usopc.org to ask for a letter for in-state tuition benefits. *Please include athlete email and Student ID number.
3. Athlete Services will send your in-state tuition letter to the Residency contacts at the school.
4. Remember to review your school's residency page for due dates.
