

NGB Compliance Standards

Approved by the USOPC Board of Directors
September 25, 2025

Introduction and Background

These NGB Compliance Standards¹ were created to assist the members with fulfilling their membership responsibilities. They are built on requirements set forth in the Ted Stevens Olympic and Amateur Sports Act, the USOPC Bylaws, and established governance practices. The Implementation Guide for NGB Compliance Standards contains further details on how to satisfy the standards.

The diagram below outlines how the various compliance documents relate to each other.

¹ Formerly the NGB Audit Standards, as referenced in the USOPC Bylaws.

Definitions and Clarification of Terms

Certification Policy: The Certification Policy clarifies the certification process referred to in the USOPC Bylaws. Certification will be conducted on a quadrennial basis or more frequently, if necessary, by the USOPC.

Implementation Guide for NGB Compliance Standards (Implementation Guide): The Implementation Guide for NGB Compliance Standards provides further guidance in applying the standards and requirements.

NGB Audits: NGBs will be audited on a quadrennial basis or more frequently, if deemed necessary, by the USOPC. The audits are a key element in determining the certification status of an NGB, however, they will not be the only element when determining the certification status. The NGB audit reports will be published on TeamUSA.org.

Ted Stevens Olympic and Amateur Sports Act (Act): The Act gives the USOPC the ability to review all matters related to the continued recognition of its members and to take action it considers appropriate, including placing conditions on continued recognition. It also sets out some of the general obligations of organizations recognized by the USOPC as NGBs.

USOPC Bylaws: NGB membership requirements are listed in the USOPC Bylaws (effective March 11, 2021), chiefly in Section 8.4. The requirements listed below are directly from the USOPC Bylaws, therefore the references to the “corporation” refer to the USOPC.

Additional Information

The NGB Compliance Standards and the Implementation Guide for NGB Compliance Standards were developed jointly by the USOPC, the National Governing Body Council (NGBC), and the Athlete Advisory Council (AAC). The NGB Compliance Standards and the Implementation Guide for NGB Compliance Standards will be reviewed and revised, as necessary. The NGB Audit team may account for exceptions from Implementation Guide requirements as granted by the Certification Review Group.

If you have questions, you can reach out to NGB Services, the USOPC’s Compliance team, or the NGB Audit team.
