## Overview

Welcome to the USOPC's Team USA Eligibility Sport-Specific Criteria resource! The primary purpose of this document is to serve as a reference for what competitions and/or world ranking criteria qualify athletes for wellness resources during a given year. The document is broken down by National Governing Body (NGB) and sport disciplines – please use the Table of Contents to navigate, as this document is lengthy. If you have any questions around the wellness benefits being offered, please contact [athlete.services@usopc.org](mailto:athlete.services@usopc.org)!
