TECNIS
Eyhance™ IOL

After cataract surgery, you'll see through a new lens called an Intraocular lens (IOL). The question is: which lens is right for you? While most monofocal IOLs offer quality distance vision, you can now expect more.

Introducing the TECNIS Eyhance™ IOL – the next generation of Monofocal IOL technology.

Johnson & Johnson VISION

Johnson & Johnson VISION

TECNIS Eyhance™ IOL is the breakthrough lens that offers enhanced intermediate vision¹ so you can engage in everyday activities with confidence.

EXPERIENCE ENHANCED INTERMEDIATE VISION AND HIGH-QUALITY DISTANCE VISION IN ONE MONOFOCAL IOL¹.

The **TECNIS Eyhance™** IOL defies conventional thinking about monofocal IOLs by delivering not only high-quality distance vision, but also enhancing vision and better low-light contrast.^{1,2}

You live for your favourite activities. Find it hard to focus on your GPS while driving? Have trouble reading signs in a store? Does the TV look blurry? Worried about walking on uneven surfaces?

TECNIS Eyhance™ IOL can help you see what you need to see. It's the next-generation monofocal IOL with the clarity of distance vision you expect from a monofocal – now with the addition of enhanced intermediate vision.¹

WITH CATARACTS

Blurry or hazy vision and reduced intensity of colors

Increased sensitivity to halos and glare around bright lights

Increased difficulty seeing at night

Removed with cataract surgery

with cataracts

with traditional monofocals

with **TECNIS Eyhance™** IOL

BENEFITS OF TECNIS EYHANCE™ IOL

Helps you see objects in the distance like traffic lights, stage performances and sporting events.

May increase safety in low-visibility situations such as driving at night.¹

Designed for high-quality distance and improved intermediate vision to make everyday tasks easier¹. You may still need glasses to see closer.

Ask your doctor about other IOL opportunities – including astigmatism management and high-contrast continuous vision at your ideal distances.

Talk to your doctor about your visual needs and find out if TECNIS Eyhance™ IOLs are right for you.
