

RAINBOW ROOM ROUND UP

The Rainbow Room is a 24/7 resource center located in the Child Protective Services (CPS) offices where caseworkers can gather new and essential items for children and families in need. The Rainbow Room is in constant need of **new** items for the more than 700 children we serve each month.

Organize A Rainbow Room Drive

Tips for Rainbow Room Donation Drive success!

Plan your Drive

Select dates, a goal, and items to collect for your drive!

Donation drives see the most support when they have a specific goal. A few examples: Spring Cleaning (household cleaning items); Baby Basics (all baby items, from formula to clothing to diapers); Sweet Dreams (bedtime essentials); Health & Hygiene (toiletries). Use your creativity to create a lasting impact!

Spread the word about your donation drive!

Promote your drive within your network – friends, family, co-workers, and beyond! Utilize social media, tagging us at @PartnershipsForChildren. This is a great opportunity to connect with your community, working as a team to support Partnerships for Children in stocking essentials for the Rainbow Room!

Gather your Community

Celebrate your Hard Work!

Schedule a tour when you deliver to the Rainbow Room!

Celebrate donations, donors, and steps towards your goal! Contact our team to arrange a tour and photo opportunity when you drop off items at the Rainbow Room.
