

RAINBOW ROOM

A program of PARTNERSHIPS for Children

**PROVIDING
TODAY TO
THRIVE
TOMORROW**

The Travis County Rainbow Room is 100% funded and staffed by Partnerships for Children. We receive no state or federal funding to provide this resource. Due to limited funding and resources, the Rainbow Room should only be used for children and families in the most need and should not be used as an ongoing resource for families.

Please be mindful that this Rainbow Room is for all families and youth in Travis County. We ask you act as our gatekeepers and provide items at your discretion to families and youth in the most need.

Services are provided in 3 different resource sections.
