

# Stavvy

## Industry-backed, eClosing platform

Stavvy helps mortgage professionals grow their businesses and ditch paper processes. Users can easily manage documents, interact with stakeholders, and conduct digital closings all from our secure digital mortgage platform. Gain transparency into the entire signing process via dashboards, document revision history, and audit trails.

Schedule a Demo

## Six eClosing Features Ready to Work for You

### RON

Easy remote online notarization in a MISMO® certified solution
