

250 years of America. 21 National Parks. Only on iFIT. Starts July 4.

# NATIONAL PARKS PASSPORT

A field record of travel through 21 U.S. National Parks

TRAVELER NAME

PASSPORT ISSUED

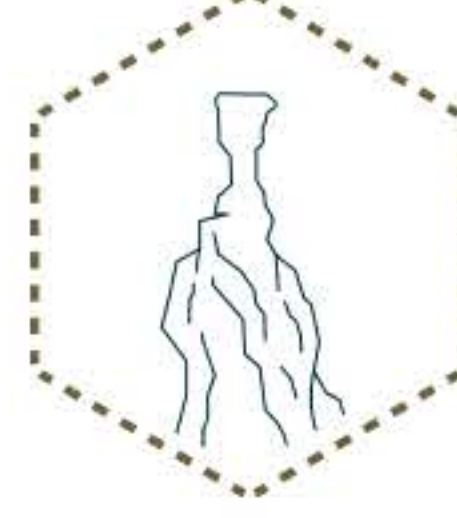

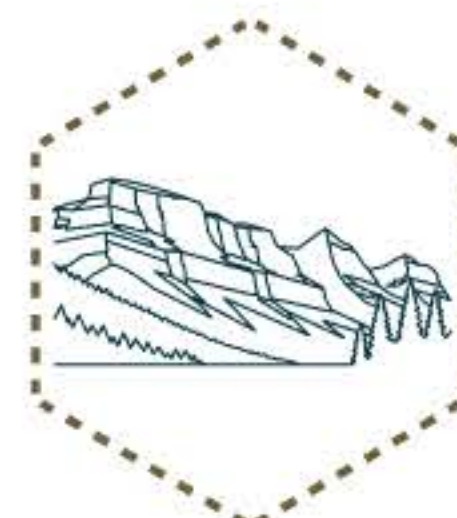

GOAL / TARGET YEAR

PARKS  
\_\_\_\_/21  
VISITED

HOW TO USE THIS PASSPORT

- 1. Flip to the visa pages and find each park's stamp box.
- 2. When you visit a park, stamp it, color it in, or circle it — then write the date below.
- 3. Update the “PARKS VISITED” dial on this cover as your count grows.

Park Passport

|                                                                                                                                                                   |                                                                                                                                                                                 |                                                                                                                                                                 |                                                                                                                                                                    |                                                                                                                                                                        |                                                                                                                                                                   |                                                                                                                                                                |                                                                                                                                                                                  |
