

**INFLADOR DE LLANTAS DIGITAL**
**DIGITAL TIRE INFLATOR**
**SPECIFICATION :**

|                     |                                                                             |
|---------------------|-----------------------------------------------------------------------------|
| Model               | DT15                                                                        |
| Material            | Aluminum                                                                    |
| Measuring Range     | 2.4~60.0psi ( 0.17~4.14bar / 17~414kpa )                                    |
| Units               | PSI / BAR / KPA                                                             |
| Resolution          | 0.1psi ( 0.01bar / 1kpa )                                                   |
| Accuracy            | ±1.2psi                                                                     |
| Working Temperature | -5 <sup>o</sup> ~+50 <sup>o</sup> C ( 14 <sup>o</sup> ~122 <sup>o</sup> F ) |
| Power               | Lithium Batteries (CR2032)                                                  |
| Hose Length         | 23.6" / 60cm                                                                |
| Auto shut off time  | 180 seconds                                                                 |

**FUNCTION KEY:**

**UNITS SWITCH:**  
Changing unit to psi, bar, or kpa by pressing **ON** once.

**CALIBRATION :**

When tool is on, start holding **ON** key.

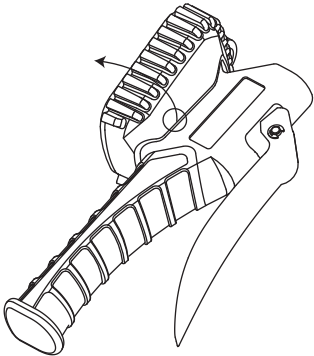

Keep holding **ON** key although screen shuts off.

Screen will show ---, -8-, -E- in sequence, and then shut down.

Calibration is done.

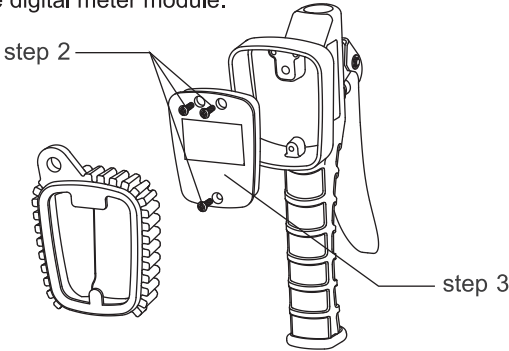

BATTERY INSTALLATION INSTRUCTION:

Step 1: Pull up the back of the sheath.

Step 2: Use a Phillips screwdriver to remove the three screws above the gauge cover.

Step 3: Remove the digital meter module.

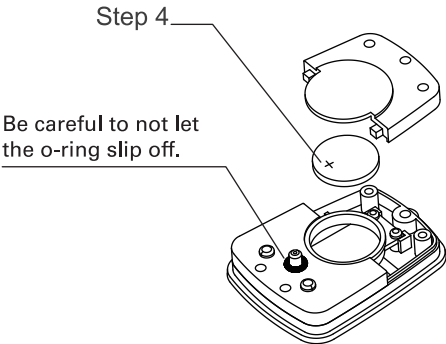

Step 4: Replace battery + (positive) side up.

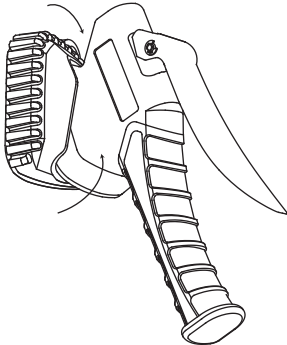

Step 5: Replace the three screws

Step 4

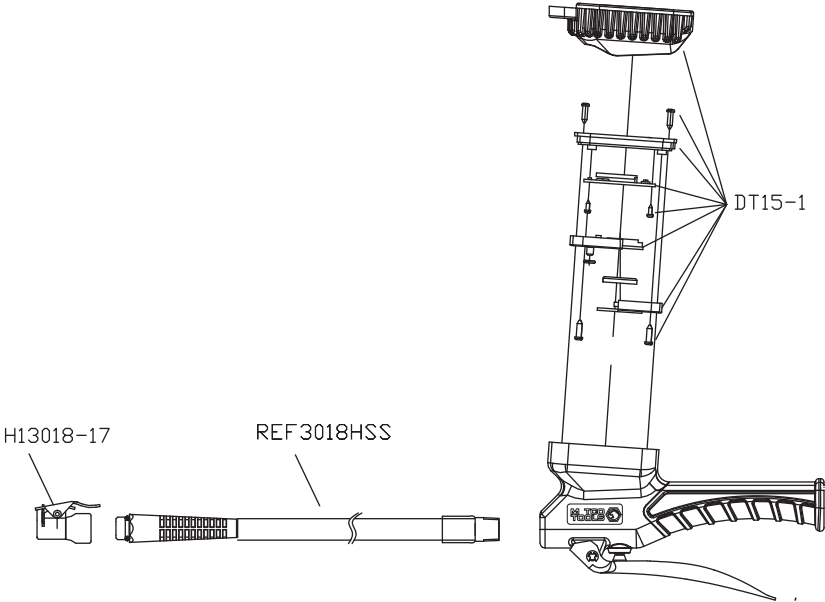

Be careful to not let the o-ring slip off.

Step 6: Push to replace upper end cover. Pull and push lower end back.

PARTS BREAKDOWN:

| NO | PART NO.    | DESCRIPTION                    |
|----|-------------|--------------------------------|
| 1  | H13018-17   | AIR CHUCK F/ DT4               |
| 2  | REF 3018HSS | STAINLESS STL BRAIDED HOSE-DT4 |
| 3  | DT15-1      | 60 PSI DIGITAL GAUGE           |

| <p><b>⚠ WARNING</b></p> <p></p> <ul style="list-style-type: none"><li>• Read, study, understand and follow all instructions before using.</li><li>• Always wear safety eye, ear, face and hand protection.
