TOOLS**

! WARNING

- Always read instructions before using the Truck Tire Step.
- Vehicle Wheels must be wedged and brakes must be locked before using the Truck Tire Step.
- Never use the Truck Tire Step without adjustment pins locked into place by use of clevis pins. Check condition of entire unit before each usage. Check that the adjustment lock pins and clevis pins are securely in place.
- If using two Truck Tire Steps to make an extended platform, vehicle wheels must be wedged and brakes locked and both ends of platform must be securely bolted to each Truck Tire Step. Extension material must be of adequate size and strength to hold weight placed on it. It is also recommended you place a strong support box between the steps, under the extension, to add strength to the extended platform.
- Keep fingers and hands away from pinch point region of this tool at all times.

Warranty

Matco warrants Truck Tire Steps for a period of 1 year from original purchase against defects in material or workmanship. We will repair or replace at our option any defective part or unit which proves to be defective in material or workmanship within this warranty plan. This warranty does not cover damage to equipment or tools arising from alteration, abuse or misuse, and does not cover any repairs or replacement made by anyone other than Matco or its authorized service centers.

This warranty does not apply to normal wear and tear, nor does it cover any damage caused by careless or unsafe handling, alterations, accidents, misuse, or repair attempts by anyone other than an authorized warranty center.

This warranty gives you specific rights. You may also have other rights which vary from state to state.

The foregoing obligation is Matco's sole liability under this or any implied warranty and under no circumstances shall Matco be liable for any incidental or consequential damages.

Note: Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.

Return equipment or parts to Matco Tools, or an authorized service center, transportation prepaid. Be certain to include your name and address, evidence of the purchase date, and description of the suspected defect.

If you have any questions about warranty service, please write to Matco Tools, Stow, OH 44224. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
