CYBER COMPLIANCE COUNTDOWN

SANS

Cybersecurity Directives Demystified:
Hear from the Minds Behind the Mandates

Start your Compliance Countdown journey with an exclusive session led by the very architects of these game-changing regulations. This dynamic discussion will cover what you really need to know to stay compliant and ahead of the curve.

What You'll Learn:

- The Mission Behind the Directives – Understand the "why" behind the rules

- Key Compliance Considerations – Get clear on what's required now and what's coming next

- What Must Be Reported—And When – Avoid missteps with a timeline you can trust

- Workforce Skills Needed – Discover the capabilities your team must develop

- Recommended Roles & Frameworks – Align your structure with proven implementation models

- Who Needs to Be Involved Internally – Identify the key stakeholders across your organization

You'll walk away with a deeper understanding of how these regulations will shape your operations, your workforce, and your strategic priorities. Plus, don't miss the rare opportunity to ask your questions directly to the officials who helped write the rules—and hear their insights on solutions being adopted across the industry.
