CERTIFICATIONS

Hands-On Cybersecurity Courses Taught by Industry Experts

Attend In-Person in Kingston or Live Online (ET)

Unlock the full potential of your career with cybersecurity training at **SANS Secure Caribbean 2026**. Guided by world-renowned instructors at the forefront of the field, this event provides exclusive access to live industry experts, ensuring you stay ahead of the curve.

Immerse yourself in a learning environment that features industry-leading hands-on labs, simulations, and exercises, all geared towards practical application in your professional endeavors. Seize the opportunity to hone your skills during bonus sessions and activities, backed by SANS's unwavering commitment to excellence and expertise.

SANS Secure Caribbean 2026 Features

- **Practical cybersecurity training:** Delivered by real-world practitioners providing actionable insights
- **Real-time support:** Receive immediate assistance from certified teacher assistants throughout your course.
- **Immersive labs in a virtual environment:** Hands-on practice to sharpen your skills in a secure setting
- **Thought leadership talks and workshops:** All centered around training topics
- **Comprehensive courseware:** Course materials provided in electronic and printed formats
- **GIAC certification:** Most courses align with the highest standard in cybersecurity certification
- **CPE credits:** Earn continuing professional education (CPE) credits towards a certification
- **Extended learning access:** Enjoy four months of access to recorded course lectures post-event

Ways to Train

In-Person

In-Person training offers students the chance to study in a focused environment without distraction but perhaps most importantly, they offer a direct access to SANS's world-leading instructors.

Live Online

SANS Live Online training offers live, interactive streaming sessions delivered directly from your instructor. It features many of the activities that SANS students love at training events, such as bonus topical presentations, cyber range challenges, networking via chat channels, and live access to top SANS instructors. Live Online is a flexible and fun way to learn.

Spanish Interpretation

Simultaneous Spanish interpretation is available for the live and virtual courses at this event. Please contact **latam@sans.org** for further information.

Interpretación en español

Habrà interpretación simultánea al español para los cursos presenciales y virtuales de este evento. Para obtener más información, póngase en contacto con **latam@sans.org**.

“Fantastic, passionate, and engaging! The instructor supplemented the course content with experience-related scenarios, improving the learning experience and making it extremely interesting.”

—Eliza-May Austin, **Visa Inc.**

“I love it, it’s the best of both worlds. All the content is provided within a supportive environment, without the distractions of home or work.”

—David Howse, **In-Person Live Stream student – Secure Australia 2021**

“The real value of this training lies at the intersection of quality content and delivery by a subject-matter expert actively working in the field, making it incredibly relevant and immediately applicable to my job.”

—P. Watson, **Microsoft Corp**
