Hands-On Cybersecurity Courses Taught by Industry Experts

Attend In-Person in Washington, DC or Live Online (ET)

Unlock the full potential of your cybersecurity career at **SANSFIRE 2026**. Guided by world-renowned instructors at the forefront of the field, this event provides exclusive access to live industry experts, ensuring you stay ahead of the curve.

Immerse yourself in a learning environment that features industry-leading hands-on labs, simulations, and exercises, all geared towards practical application in your professional endeavors. Seize the opportunity to hone your skills during bonus sessions and activities, backed by SANS's unwavering commitment to excellence and expertise.

SANSFIRE 2026 Features

- **Practical cybersecurity training:** Delivered by real-world practitioners providing actionable insights
- **Real-time support:** Receive immediate assistance from certified teacher assistants throughout your course
- **Immersive labs in a virtual environment:** Hands-on practice to sharpen your skills in a secure setting
- **Thought leadership talks and workshops:** All centered around training topics
- **Comprehensive courseware:** Course materials provided in electronic and printed formats
- **GIAC certification:** Most courses align with the highest standard in cybersecurity certification
- **CPE credits:** Earn continuing professional education (CPE) credits towards a certification
- **Extended learning access:** Enjoy four months of access to recorded course lectures post-event
- **Central hotel location:** Courses will be held at the Grand Hyatt Washington

Ways to Train

In-Person

- Immersive learning free from distractions
- Networking with fellow experts
- Bonus hands-on workshops
- Exclusive Alumni receptions

Live Online

- Interactive learning from the office or comfort of home
- Real-time access to faculty, instructors, and teaching assistants
- Bonus topical learning sessions

Special Events

• **Tournament: Core NetWars**

July 16 & July 17 | 6:30–9:30 PM ET

• **Tournament: Cyber Defense NetWars**

July 16 & July 17 | 7:15–10:15 PM ET
