Consultation Results: Eligible US Exchanges

Following a [consultation](#) on exchange eligibility, Morningstar Indexes is adding the Texas Stock Exchange (TXSE) and Cboe BZX (BATS) as approved US listing venues across all Morningstar-branded equity indexes. TXSE will also be added as an approved listing venue for the CRSP Market Indexes.

TXSE will be eligible after the close of September 30, 2026. BATS will be eligible after the close of December 18, 2026, corresponding to the December reconstitution for most indexes.

These changes are intended to enhance Morningstar Indexes' representation of the US equity market. Securities listed on these venues will be subject to Morningstar Indexes' standard investability and eligibility requirements.
