Strategic Priority

Leverage and build on core assets & brands to drive revenue and market share growth

Add value to customers through improved insights, analytics and processes

Build “fit for future” culture, engagement and capability

Build an advantaged Supply Chain to deliver superior NPD, Quality and Service at best cost

Drive cost out in SG&A and Supply Chain to improve profitability and allow selective reinvestment

Update on Progress

- Launch of Cleanflush – initial sales strong, ranged in 200+ Reece showrooms
- NPD pipeline approved and prioritised
- Improved speed to market for product imports (e.g. Milan to Australia)
- GWA + customer joint planning sessions – mutual targets/initiatives
- Tailored product innovation plans being developed for major customers
- Dedicated internal resources for customer roles for key large customers
- Reorganisation and capability improvement of D&A sales team
- Electronic, automated process order systems implementation (EDI, OCR)
- Leadership development - greater accountability and agility
- Sales capability standard being implemented for key staff
- Talent management process improvement and employee engagement
- Integrated Business Planning – assists working capital improvement in 2H
- Decentralised inventory (Q4 FY17) – new track and trace capability
- Implementing dual-sourcing capability for supply assurance
- Group restructuring - continued reduction in corporate costs
- Network optimisation: new sea freight partner appointed, establish Asian consolidation centres (Q2 FY17)
 - cheaper freight
 - improved container yield
 - direct to port shipping

Segment results

Outlook

Appendix

- Improved mix in B&K from higher margin products and price increases offset by decline in A\$ vs prior year
- Market volume growth higher in Multi-Res and lower margin products – not a core focus for GWA
- Price increases implemented but FX impact of 13% decline in A\$/US\$ vs prior year not fully recovered in FY16
- Further reduction in cost base to address cost inflation
- Focus on margin resilience
 - Group EBIT margin 17.8% up 0.7ppts from FY15

FY17 Outlook

Overview

Group Results

Segment results

Outlook

Appendix

1

Market activity

- Renovation & Replacement segment expected to be relatively stable
- Recent approvals data point to expected slow-down in construction, however, continued lag between approvals and completions and pipeline of work, yet to be completed, support continued demand for our products & brands in FY17

2

Continued focus on margin resilience

- Continue to address cost savings for reinvestment and margin resilience
- FX hedging to mitigate impact of higher input costs from lower A\$ - GWA hedged ~70% to 30 June 2017 at US\$0.71

3

Embed Group strategy on core priorities

- Continue to embed Group strategy focused on core priorities
- Leverage recent launch of Caroma Cleanflush through increased ranging to drive growth in sanitaryware – focus on R&R segment
- New product launches focused on R&R segment (Taps, Showers) from strengthened NPD pipeline
- Dedicated sales team in D&A focused on commercial segment

4

Market update

- Update at AGM on 28 October 2016
