CAROMA
Made For Life

Embrace natural luxury with the Caroma Contura Collection - sculptural design with an organic simplicity that brings a sense of subtle indulgence for your bathroom. These natural forms are brought to life through new matte white and matte clay ceramic and brushed bronze metal finishes for a cohesive collection.

HIGH QUALITY CERAMIC

The full Contura Collection features carefully chosen materials to keep up with the rhythm of daily life in the bathroom. Enjoy the benefits of durable Caroma ceramic across basins and toilets, easy to clean acrylic finishes for baths and high quality brass fixtures for showers and tapware.

VJET® - VARIABLE CONTROL SPRAY

A luxury shower experience that puts you in control. Use the slider to seamlessly transition from an invigorating shower spray through to a gentle mist, and everything in between.

COLOUR

Find the perfect colour match for your bathroom, with metallic colour finishes across tapware, showers and accessories including PVD brushed brass, brushed nickel and brushed bronze, as well as electroplated black and chrome. Bring a new dimension to your toilets and basins, with traditional gloss and contemporary matte white and matte clay colour options.

PVD

Superior PVD finishes provide excellent durability and enables complete personalisation, with curated colour and finish mix-n-match opportunities.

Contura
Collection

Contura Collection

CAROMA
Made For Life

An award-winning collection.

The Contura Collection has been awarded the prestigious Good Design Award accolade in the Product Design Hardware and Building category in recognition of outstanding design and innovation.

The annual Good Design Awards is Australia's oldest and most prestigious international Awards for design and innovation with a proud history dating back to 1958. The Awards celebrate the best new products and services on the Australian market, excellence in architectural design, engineering, fashion, digital and communication design, design strategy, social impact design and young designers.

Basins

Our Contura Collection basins feature a sculpted, thin rim design that brings a statement look to your bathroom. You can explore new tones for your bathroom, with classic gloss, matte white and matte clay to complement your design. Contura basins include an integrated ceramic pop-up plug and waste which sits flush with basin when open.

To match the colour of your bathroom products, be sure to, explore our optional pop-up plug and wastes. Available in chrome, matte black, brushed nickel, brushed brass and brushed bronze, these metallic plug and wastes provide a consistent design match with Contura tapware, showers and accessories.

ABOVE COUNTER BASIN

Above counter basins are installed directly on top of a vanity with minimal installation requirements.

INSET BASIN

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl.

HAND WALL BASIN

Hand wall basins are installed directly to the wall, specially designed for small ensuites and powder rooms to maximise space.

CAROMA

Bathroom Mixers

The Caroma Contura Mixer Collection features a cohesive organic and sculptural design language, matched with multiple configurations to fit the needs of your bathroom. Choose from a range of incredibly durable PVD finishes across brushed brass, brushed nickel and brushed bronze, alongside classic chrome and matte black.

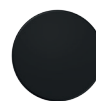

CAROMA

EASYSWITCH

The collection features Caroma EasySwitch®, the universal in-wall body system that gives you ultimate flexibility. The in-wall bodies have unique flexibility in that the trim kit, colour finish and design can all be interchanged pre or post installation - eliminating costly hold ups as well as allowing you to quickly and easily update the design, colour and style without costly rectification work.

Toilet Suites

Our Contura Collection of toilets have a unique sculptural design to match the Contura basins, baths, showers and tapware.

Contura toilets feature Caroma CleanFlush® technology, our most effective and hygienic toilet. Our patented design features revolutionary rimless technology that delivers the next generation of toilets; easy to clean and water efficient with superior hygiene.

Explore a range of configurations to find the match for your bathroom layout across Wall Faced, Wall Faced Close Coupled and Wall Hung toilet suites.

In addition, toilets have added Caroma GermGard® antimicrobial protection and have the option of coloured seat hinge caps and colour flush buttons for a consistent look across your bathroom.

Our most effective and hygienic toilet technology.

By removing the rim of the bowl, there is now nowhere for germs to hide. And by adding Caroma's flush and flow features we've created a superior flushing performance that delivers a cleaner clean.

Innovative Flow Splitter for extra coverage

Sculpted Flow Contours for superior washdown
