

Is your Airbnb listing ready?

Here are some tips and best practices around prepping your space for guests

All rooms:

- All visible surfaces are wiped down and free of dust or dirt
- Carpets are vacuumed
- Floors are swept and mopped
- Furniture is vacuumed (even under the cushions)
- Trash cans are empty and clean
- Windows are wiped inside and out
- Laundry machines are clean and lint traps emptied
- Safety items are present and working, including:
 - ↳ Smoke alarm
 - ↳ Carbon monoxide detector
 - ↳ Fire extinguisher
 - ↳ First-aid kit

Bathrooms:

- Showers, bathtubs, vanities, backsplashes, toilets, mirrors, and sinks are clean and sanitized
- Shower shelves and caddies are free of soap scum
- All towels have been laundered
- Other bathroom items are available for guest use, including:
 - ↳ Soap
 - ↳ Shampoo
 - ↳ Conditioner
 - ↳ Hair dryer

Kitchen:

- Sinks are clean and free of food
- Stovetops, countertops, and backsplash have been wiped down
- Microwave, oven, and refrigerator are clean inside and out
- Dishes, glasses, and cookware are clean and put away
- Dish towels have been laundered
- Other kitchen items are available for guest use, including:
 - ↳ Cookware, dishes, and utensils
 - ↳ Glasses and mugs
 - ↳ Coffee and coffee maker or tea
 - ↳ Salt, pepper, and cooking oil
 - ↳ Paper towels, dish soap, and sponges

Bedrooms:

- All beds are made with clean linens
- All beds have at least one pillow per guest
- Personal items are out of sight
- Guests have a place to put luggage, clothes, or other items
