If you have ordered a Product License with a perpetual software license grant, the terms and conditions in this Perpetual License part (Clauses 1 through 5) shall apply.

1 RIGHTS AND RESTRICTIONS

1.1 MicroStrategy grants Licensee and its Affiliates a perpetual (except as otherwise set forth in this Agreement or an Order), non-exclusive and non-transferable (except as set forth in this Agreement) license to (a) install the Products listed on an Order on servers and workstations under the control of Licensee in the Territory and (b) grant Named Users access to the Product Licenses listed on such Order in support solely of Licensee's internal business operations according to the terms and conditions of this Agreement. These rights are granted only for the Products listed on an Order, even if the Products are delivered on media containing other software. Affiliate usage of Product Licenses is subject to the terms and conditions of this Agreement and such Affiliates shall be deemed to be a Licensee when placing an Order or using Product Licenses.

1.2 MicroStrategy shall supply one copy of each Product licensed under this Agreement to Licensee by making it available to Licensee via an electronic download. Licensee may make copies of the download files containing the Products for archival purposes.

1.3 Licensee shall not:

- a. copy, display, distribute, or otherwise use the Products, in any manner or for any purpose not expressly authorized by this Agreement; or
- b. create derivative works of or otherwise modify the Products; or
- c. reverse engineer, decompile or disassemble the Products or the metadata created by the Products; or
- d. disclose results of any benchmarking tests without MicroStrategy's prior consent; or
- e. use a Product in a manner that violates an individual's privacy right set forth by statute, rule, regulation or case law.

1.4 Subject to the restrictions set forth in this Agreement or an Order, Licensee may allow its contractors or agents under a written agreement with Licensee to use a Product License for the sole benefit of Licensee.

2 TECHNICAL SUPPORT SERVICES

2.1 MicroStrategy shall provide Licensee the level of Technical Support Services specified on an Order.

2.2 On each Order, MicroStrategy will state the price of Standard Technical Support Services for a period of one year commencing on the date of delivery of the Products. Except as otherwise specified on an Order, upon expiration of the initial year of service, Licensee has the option to renew second year Standard Technical Support Services at the stated amount on the Order. Thereafter, Licensee agrees to renew existing Technical Support Services for its Integrated Configuration unless Licensee provides written notice to MicroStrategy ninety (90) days before expiration of the then current term that it desires to have its Technical Support Services lapse.

3 TERM AND TERMINATION

3.1 This Agreement and each Product License granted under it shall become effective on its respective Effective Date.

3.2 Licensee may terminate any Product License or this Agreement at any time by providing written notice to MicroStrategy.

3.3 MicroStrategy may terminate this Agreement and/or any Product License upon written notice to Licensee if Licensee breaches a material provision of this Agreement and fails to cure the breach within thirty (30) days following such notice.

3.4 Termination of this Agreement or any Product License shall not prevent either party from pursuing all available legal remedies, nor shall such termination relieve Licensee's obligation to pay all fees that are owed. The parties' rights and obligations under Clauses 1.3, 8.3, 9.1, 10 and 12 shall survive termination of this Agreement.

3.5 If a Product License granted under this Agreement terminates, Licensee shall: (a) immediately cease using the applicable Product, and (b) certify to MicroStrategy within thirty (30) days after expiration or termination that Licensee has destroyed or has returned to MicroStrategy all copies of the Products and any MicroStrategy Confidential Information.

4 THIRD PARTY INFRINGEMENT

4.1 MicroStrategy shall defend Licensee, at MicroStrategy's expense, against any claim, demand, suit, or proceeding ("Claim") brought against Licensee by a third party alleging that the use of the Products infringes or misappropriates an intellectual property right of the third party and shall indemnify Licensee for and hold Licensee harmless from any damages finally awarded to the third party claimant or agreed to in settlement of the Claim, *provided* that Licensee: (a) promptly gives written notice of the Claim to MicroStrategy; (b) gives MicroStrategy sole control of the defense and settlement of the Claim (*provided* that MicroStrategy may not settle any such Claim unless it unconditionally releases Licensee of all liability and contains a statement that Licensee admits no liability); (c) provides to MicroStrategy all available information and reasonable assistance necessary for MicroStrategy to defend or settle the Claim; and (d) has not compromised or settled such Claim without MicroStrategy's written approval.

4.2 If Licensee's use of a Product is enjoined in connection with the Claim, MicroStrategy may choose to either modify the Product to be non-infringing (while substantially preserving its utility and functionality) or obtain a license to allow for continued use of Product, or if these alternatives are not commercially reasonable, MicroStrategy may terminate Licensee's use of the Product and refund the license fees paid for the Product and any unused, prepaid Technical Support Services fees paid for the Product.

4.3 MicroStrategy shall have no indemnification obligation, and Licensee shall indemnify MicroStrategy pursuant to this Agreement, for any Claim arising from or based upon (a) the misuse or unauthorized use of a Product or the use of a Product outside the scope of use identified in the Documentation for such Product, if the claim would not have arisen without such use; or (b) any modification of a Product, if the claim would not have arisen without such modification; or (c) use of a prior version of any Product, if use of a newer version of the Product would have avoided such Claim.

4.4 The provisions of this Section 4 state the sole, exclusive and entire liability of MicroStrategy to Licensee, and are Licensee's sole remedy, with respect to the infringement of third party intellectual property rights.

5 LIMITED WARRANTIES AND REMEDIES

5.1 MicroStrategy warrants that:

5.3 No other warranties, express or implied, are made with respect to the Products, Technical Support Services or Services supplied by MicroStrategy hereunder, including, without limitation, any implied warranty of merchantability, fitness for a particular purpose, systems integration, title, satisfactory quality and non-infringement.

5.4 For any breach of the warranty listed below, Licensee's exclusive remedy, and MicroStrategy's entire liability, shall be:

- a. Section 5.1(a): (1) the correction of Software errors that caused the breach of the warranty, (2) replacement of the Software, or (3) if neither of the foregoing can be reasonably effected by MicroStrategy, return of the fees paid to MicroStrategy for the license of such Software, *provided* that such Software is returned to MicroStrategy.

No waiver of any default or breach on any one occasion shall constitute a waiver of any subsequent or other default or breach. No single or partial exercise of any such right shall preclude the further or full exercise of such right. No provision of this Agreement may be waived unless such waiver is in writing and signed by the party against which the waiver is to be effective.

Any Licensee terms of trade stated or referenced in the Licensee purchase order (except for names, quantities and addresses) shall not be binding on MicroStrategy. As between this Agreement and an Order, the latter prevails but only with respect to that Order.

12.15 In the event that any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions of this Agreement shall remain in full force.

12.16 In any dispute under this Agreement, the prevailing party shall be entitled to recover its cost of enforcing its claim, including but not limited to reasonable attorney fees.
