UPC Code:	022188892901

FEATURES

- Metal frame design with 5" barrel.
- Slide lightening cuts on top and sides.
- Optimal 18-degree grip angle for natural point of aim.
- Four interchangeable palmwell grip inserts for optimal hand fit and trigger reach - S, M, ML, L.
- Textured polymer front strap.
- Flared mag well for fast reloads.
- Fiber-optic front sight and blacked-out rear sight.
- Reversible over-sized magazine release.
- Slide cut for optics.
- M2.0 flat face trigger for consistent finger placement that allows for more accurate and repeatable shooting.
- Enhanced sear for lighter, crisper trigger let-off.
- Picatinny-style rail.
- Forward slide serrations with new aesthetic.
- Low barrel bore axis makes the M&P pistol comfortable to shoot, reducing muzzle rise and allowing for faster aim recovery.
- M&P's patented take-down lever and sear deactivation systems allow for disassembly without pulling the trigger.
- Comes with four 17-round magazines.
- Backed by Smith & Wesson's Lifetime Service Policy.

PISTOL COMES w/4 MAGS
17-rnd capacity, extended floorplate

METAL FRAME SERIES - OPTICS READY

Armornite® finish is a hardened nitride finish that provides enhanced corrosion resistance, greatly improved wear resistance, decreased surface roughness, reduced light reflection and increased surface lubricity. Armornite is used on many S&W® and M&P® products imparting a high level of protection internally and externally where applied.
