14173	9MM	16.25″	17+1, 23+1-round
SKU	CALIBER	BARREL LENGTH	CAPACITY

FEATURE	BENEFIT
Compact, Folding Design	With the ability to fold from the side, the M&P FPC allows you to get a small overall package and ensures that mounted optics aren't disturbed.
In-stock Magazine Storage	Two slots in the stock of the rifle allow you to store M&P full-size or compact 9MM magazines.
Familiar Ergonomics	The same grip and trigger that can be found on our M&P pistols give you a familiar experience that you've come to appreciate from our firearms.

The M&P FPC

Smith & Wesson's M&P FPC features a slim and compact design that allows it to be stowed away, and accessible when needed. Inspired by our M&P handguns, the M&P FPC has a familiar grip and trigger, is compatible with our 9MM full-size and compact magazines, can store additional magazines with its in-stock storage, and features M-LOK slots in the forend to mount accessories.

CERAKOTE is a registered trademark of NIC Industries, Inc.
Multiple patents are pending for the Smith & Wesson® M&P FPC
M-LOK is a registered trademarks of Magpul Industries Corp.
