Frame Finish:	Matte Black
UPC Code:	022188885200

Armornite® finish is a hardened nitride finish that provides enhanced corrosion resistance, greatly improved wear resistance, decreased surface roughness, reduced light reflection and increased surface lubricity. Armornite is used on many S&W® and M&P® products imparting a high level of protection internally and externally where applied.

FEATURES

- Aluminum alloy frame.
- Glare reducing serrations on top of slide.
- Interchangeable, textured backstraps including small and extra small sizes for better concealability.
- Textured front strap.
- Ambidextrous manual thumb safety.
