

# DIY Living Room Mini Golf

by Holiday Inn Club Vacations®

## Choose your club

### Start ▶

## 1 Sketch your golf course

Get the whole family involved in coming up with creative ideas!  
**Pro tip:** Make each hole gradually more challenging.

## 2

### Gather all your items

#### Ideas for course obstacles:

- Use canned veggies with boxes on top
- Grab some books for ramps and barriers
- Turn empty cartons into tunnels
- Build speed bumps and towers with LEGOS®
- Use toy race car tracks for hills and ramps
- Place stuffed animals at each hole for a zoo theme
- Transform yoga mats into challenging hills
- Get musical toys and instruments for a fun twist

## 4

### Make scorecards

Write your names in one column, the number of holes you made in the other columns, and a total column at the end. Then get ready to win!

## 5

### Start playing!

It's game time! Have fun playing and adjust the course as needed.

**Pro tip:** Make each player spin around 3 times before their turn to make it harder.

## 3 Build it!

Be sure to use tape to secure the "holes" in place.

**Pro tip:** Place candy or change in the cups as a fun reward!
