IKISE™

Dual Serum Clear & Light

dōTERRA®

Product Information Page

CPTG®

IKISE Dual Serum Clear & Light | 28 mL

Primary Benefits

+ Moisturizing ingredients such as Squalane, Hyaluronic Acid, Coix Seed Extract, and Saccharomyces / Camellia Japonica Flower Ferment Filtrat effectively retain skin moisture.
+ In consideration of the environment, this container is made from easily recyclable glass

*Skin conditioning agents
**Moisturizing agents

Description

This is a two-layer serum with a light texture. It gently exfoliates the skin while adding brightness, giving a healthy and radiant skin appearance. The refreshing aroma of neroli and bergamot adds to its appeal.

*For optimal use, we recommend combining it with IKISE Toner Lotion Clear & Light.

Natural origin index 95% (including water) - ISO 16128 compliant

Allergy tested (This does not guarantee that all users will be free from allergic reactions.)

*The green color of the liquid is due to the natural ingredient, phellodendron amurense bark extract (skin conditioning agent).

Directions

After toning your skin with the lotion, shake well and take an appropriate amount (2-3 pumps) into your hand. Gently apply to your face and neck. It can be used both morning and night.

Cautions

For external use only. Avoid contact with eyes, if product gets into your eyes, rinse immediately. Discontinue use if skin irritation occurs. Do not use on broken skin or sensitive areas such as inside of ears. Store in a cool dark place, and out of reach of children.
