IKISE™

Face Wash

dōTERRA®

Product Information Page

IKISE

Face Wash | 100 g

Primary Benefits

+ Contains amino acid-based cleansing agents, moisturizing jojoba oil, and hyaluronic acid to effectively remove impurities while leaving the skin feeling hydrated
+ In consideration of the environment, this container is made with plant-based plastic materials

*Moisturizing agents

Description

This facial cleansing foam creates a rich, voluminous lather. The fine bubbles act as a cushion, gently removing impurities without straining the skin, leaving it feeling soft and moisturized after use.

99% natural origin index (including water)

ISO 16128 compliant

Allergy tested (This does not guarantee that all users will be free from allergic reactions.)

Directions

Take an appropriate amount (about the size of a pearl) into your palm and add a small amount of lukewarm water to lather. Using a foaming net makes it easier to create a rich, dense lather. Gently wash your face with the foam, then rinse thoroughly with lukewarm water.

Cautions

For external use only. Avoid contact with eyes, if product gets into your eyes, rinse immediately. Discontinue use if skin irritation occurs. Do not use on broken skin or sensitive areas such as inside of ears. Store in a cool dark place, and out of reach of children.

Ingredients

Myristic Acid, Water, Glycerin, Propanediol, Stearic Acid, Potassium Hydroxide, Lauric Acid, Glyceryl Stearate, Lauryl Hydroxysultaine, Citrus Aurantifolia (Lime) Peel Oil, Litsea Cubeba Fruit Oil, Shale Extract, Decyl Glucoside, Citrus Aurantium Amara (Bitter Orange) Leaf/Twig Oil, Ascorbyl Glucoside, Simmondsia Chinensis (Jojoba) Seed Oil, Hydrolyzed Hyaluronic Acid, Ascorbic Acid, Sodium Cocoyl Glutamate
