b. the Bank must receive and approve the Eligible Customer’s Application for the Credit Card Funds Transfer during the Promotion Period; and

c. the Eligible Customer’s Standard Chartered Credit Card Funds Transfer account (the “**Credit Card Funds Transfer Account**”) must be validly existing (i.e. must not be suspended, cancelled or terminated for any reason during the Promotion Period and until 31 May 2022), in good standing, and conducted in a proper and satisfactory manner at all times, including at the time the Cashback is credited to the Eligible Customer’s Credit Cards Funds Transfer Account, as determined by the Bank in its sole and absolute discretion.

3. For the avoidance of doubt, this Promotion is only applicable to new Applications for Credit Card Funds Transfer received and approved during the Promotion Period; and the Eligible Customer must not have any existing credit card, personal credit, personal loan, or any Credit Card Funds Transfer account(s) with the Bank prior to the new Application during the Promotion Period, for the purposes of this Promotion.

4. Notwithstanding the foregoing, the Bank may continue to process any Application received by the Bank up to seven (7) calendar days after the end of the Promotion Period, and the Bank shall retain the sole and absolute discretion to determine the eligibility of these Applications and/or allow the said Applications for the purposes of this Promotion on a case-to-case basis, subject to these terms.

5. If the Eligible Customer satisfies the qualifying criteria set out in Clause 2a to 2c, read with Clauses 3 and 4 above, the Eligible Customer will receive a cashback for this Promotion (“**Cashback**”). The Cashback will be a percentage of the Processing Fee (as defined in Clause 11) depending on the Tenure (as defined in Clause 10) as tabled below and it will be credited to the Eligible Customer’s Credit Card Funds Transfer Account within 60 working days after the approval of the Application:

Tenure	Cashback
6 months	50% of processing fee
12 months	40% of processing fee

6. The Cashback is not transferable or exchangeable for cash or any other items.

7. In the event the Bank has determined that the Eligible Customer is not eligible to receive the Cashback or to participate in this Promotion, or where the Bank has knowledge of subsequent events which would mean that the Eligible Customer would not have been entitled to redeem the Cashback, the Bank reserves the right to claw back the Cashback or to deduct its value (or such other amount as it deems fit) from the Credit Card Funds Transfer Account with the Bank.

8. The Bank reserves the right to debit and/or forfeit the Cashback without compensation if the Eligible Customer's Credit Cards Funds Transfer Account is not valid and/or in good standing, as determined in the Bank's sole and absolute discretion.

9. A separate Unlimited Cashback Credit Card account will be created upon the approval of the Application ("**Credit Card Account**"). This is a separate account from the Eligible Customer's Credit Card Funds Transfer Account.

10. The promotional interest rate (as indicated in the application form) is only applicable to the amount transferred pursuant to the Application submitted in respect of this Promotion ("**Approved Amount**") and is only valid for a period of 3, 6, 9 or 12 months starting from the date the Application is approved ("**Tenure**"). Any existing outstanding balances and/or amounts subsequently incurred on any Credit Card Account, including instalment payment transactions, will be subject to the prevailing interest rate chargeable for the Credit Card Account if these amounts are not paid in full.

11. The one-time non-refundable processing fee as indicated in the application form on the Approved Amount ("**Processing Fee**") will be charged to the Credit Card Funds Transfer Account upon the approval of the Application.

12. The Approved Amount will be debited from the Credit Card Funds Transfer Account, treated in the same way as a charge arising from a normal credit card transaction and will be reflected in the statement issued for the Credit Card Funds Transfer Account. The Selected Cardholder must pay the monthly minimum payment indicated in his/her monthly credit card statement for the Credit Card Funds Transfer Account and other accounts (if there are transactions and/or outstanding balances) to prevent incurring additional fees and charges.

13. The Effective Interest Rate (EIR), as indicated in the application form, is calculated taking into consideration the Processing Fee and based on the assumption that full repayment is made within the Tenure with minimum monthly payments of 1% of principal plus interest, fees, charges, and full payment in the final month of the Tenure.

14. The promotional interest rate is valid for the Tenure from the date the Application is approved and ends on the statement date of the final month of the Tenure. Thereafter, the prevailing interest rate of 26.90% p.a. will apply. Interest is subject to compounding if it is not paid in full. The promotional interest rate is applicable only to the Approved Amount and not to existing outstanding balance, fees and charges associated with any Credit Card Funds transfer, other card transactions, cash advance transactions and other Credit Card Funds transfers.

15. If the Eligible Customer and/or his/her supplementary cardholder defaults on any payment in respect of the Eligible Customer's Credit Card Accounts or any other credit facilities from the Bank during the Tenure starting from the date the Application is approved (also referenced in Clause 14 above) or for other reasons which the Bank deems appropriate at its sole discretion, a late payment interest of 28% p.a. will be charged to all accounts. The bank shall also be entitled to withdraw the promotional interest rate and charge applicable finance charges and/or late payment charges at such rate as we may determine.

16. Payment must be made individually to the different accounts that the Eligible Customer holds with the Bank. Payment made into another account or any credit balance in another account will not be automatically transferred into the Credit Card Funds Transfer Account to settle any outstanding amounts.

17. If payments are not received by the due date for any account(s), the Eligible Customer's Credit Card Funds Transfer Account(s) will incur a late payment fee of S\$100 (per account). The EIR applicable on the Credit Card Funds Transfer Account(s) will be adjusted to 28% p.a. if the minimum payment due is not received in full by the next Statement Date on the Eligible Customer's Credit Card Funds Transfer Account(s), and finance charges will apply if payment is not received by the due date. If the Selected Cardholders have only missed one payment, it will be reinstated to the prevailing EIR once minimum payment due is made in full. If however the Eligible Customer's Credit Card Funds Transfer Account has been twice or more past due on a consecutive basis, the EIR will only revert to 26.9% p.a. once minimum payment due for the relevant consecutive months where the account was past due is made in full.

18. The minimum funds transfer amount is S\$1,000, and the maximum is 95% of the Eligible Customer's total available credit limit of the Standard Chartered Credit Card Account at the time of processing the Application.

19. The Bank reserve the right to decline the Application or approve the Application with a lower funds transfer amount than the amount applied for without any reason whatsoever.

20. Supplementary cardholders, and cardholders holding corporate cards or credit cards with \$500 credit limit are not eligible to apply for Credit Card Funds Transfer. Credit Card Funds Transfer will not be eligible for any Rewards Points and cashback.

21. By participating in the Promotion, the Eligible Customer consents to the use of his/her personal data for marketing purposes, including but not limited to the use of his/her telephone number to contact him/her about products and promotions offered by the Bank from time to time via telephone, SMS or multimedia messaging. Such consent will supersede any prior choices made by the Eligible Customer. Such consent will also prevail even if the Eligible Customer is registered or subsequently registers his/her contact information with the national Do Not Call Registry.
